Good Afternoon,  
I know that some time has passed, and DeKalb County is still interested in utilizing the contract referenced above. I wanted to ensure that we still have your approval to utilize the contract that was awarded to Cobb County?

Thank you,

Tiffany

Good Afternoon,

Thank you for the email. I have a question; are you currently utilizing the price increase rates as it's past 11.10.23 or are the regular rates listed in the first column still being utilized?

Thank you,  
Tiffany

Good Afternoon,

My name is Tiffany Wilson, and I am from DeKalb County's Purchasing and Contracting Department. I am writing you to request if you have a list of the commercial pricing for the items below that were granted in the cooperative agreement for Cobb County?

Back in February, Virginia Archer from our department emailed you asking for your approval for you to honor the pricing that was provided to Cobb County. Approval was granted and I'm currently working on documents to submit to my CPO for review. One of the requirements is to provide a cost analysis where I'm comparing the market/commercial rates you offer versus the cooperative agreement pricing. I have a screenshot of the award sheet you submitted with the items and pricing as a reference. If you have a list with the regular rates for the items, it would be gladly appreciated. If you have any questions or concerns, feel free to reach out.
