Recommended Vendor:

*Non-Responsible Bidder:

Columbia Industries, LLC.
 5775 NE Wagon Dr.
 Hillsboro, OR 97124

Phelps Industries, Inc.
 1700 E. 9th St.
 Little Rock, AR 72202

Phelps was Non-Responsible because they bid a unit which only has a 50 ton lifting capacity and the bid requires the tipper to have a 65 ton lifting capacity so that the tipper has more power to perform the duties required. Also, the unit didn't have a leveling bubble which is required to level the tipper so the unit will not tip over.
