

Department of Purchasing and Contracting NON-COMPETITIVE PROCUREMENT REQUEST FORM

Requesting Department: Innovation & Technology
 Department Contact Person: Angela Green Telephone: 770 755-2241
 Email: adgreen@dekalbcountyga.gov

Requisition Number: _____ Suggested Supplier: Hewlett Packard Enterpri
 Estimated Amount of Purchase: \$ 260,870.34
 Detailed Description of the Goods or Services to be purchased: 2024 Annual Software, License and Server Maintenance Support

Emergency (For Emergency Requests, Please check this box and answer all questions below.)

1. Date and Time of Emergency Occurrence: _____

2. Please state the nature of the emergency posing a risk to public health, welfare, safety or resources:

3. State how the Estimated Amount was determined to be Fair and Reasonable (attach supporting documentation):

Sole Source (Please check box and answer all of the following completely.)

1. Provide an explanation why the product, service or supplier requested is the only method that can satisfy the requirements. Please explain why alternatives are unacceptable. Be specific with regard to specification, features, characteristics, requirements, capabilities and compatibility. (Attach additional documents, if necessary):

HPE products and services are proprietary to their manufactured equipment. DeKalb County utilizes HPE services to cover server maintenance and proprietary software licenses used in support of all County business units. Support can only come through HP.

2. Will this purchase obligate us to a particular vendor for future purchases? (Either in terms of maintenance that only this vendor will be able to perform and/or if we purchase this item, will we need more "like" items in the future to match this one?) Explain in detail.

No, not for future purchases. However, as long as the county continues to use Hewlett Packard Enterprise solutions, it will obligate us to Hewlett Packard for future maintenance and support costs for that which we already own and use.

3. Explain the impact to the County or Public if this request is not approved.

If this maintenance contract is not renewed, and should an issue arise with any of the equipment/software that is covered under this contract; it would have an adverse impact on the County; and would impact our ability to ensure continuity of operations.

I hereby request that this non-competitive procurement request be approved for the purchase of the above stated work, material, equipment, commodity, or service.

Purchasing Agent review and recommendation: HPE is the manufacturer of the equipment, software licenses and server maintenance currently being utilized by the County. HPE retains exclusive control and ownership of the patents, trademarks, and/or other intellectual property (IP) that is relevant to this purchase. Due to their proprietary ownership of all patents, trademarks, and other IP relevant to this transaction, my recommendation is to approve this Sole Source so the County may ensure continuity of operations.

Dear MICHELLE D VERNON:

Enclosed is a Hewlett Packard Enterprise support service quote for your products. Review the services, support items, coverage dates, addresses, and company contacts for accuracy. Please advise Hewlett Packard Enterprise of any changes prior to submitting your purchase order or authorization. To order support services detailed in this package, please return billing authorization by choosing one of the following convenient options. Subject to HPE Customer Terms - Support or purchase agreement with Hewlett Packard Enterprise and if applicable, Exhibit E24.

Option 1: Provide an open-ended purchase order. An open-ended purchase order allows Hewlett Packard Enterprise to add products to your agreement as necessary, as well as renew your support from year to year. Cancellation of the support service agreement requires a 30-day written notice.

Option 2: Provide a PO for the coverage dates specified in the enclosed referenced proposal.
Your PO must note at least one of the following, along with the support coverage period:

1. Hewlett Packard Enterprise Reference (quote) number(s),
2. Support Account Reference(s) (SAR)
3. Service Agreement ID(s) (SAID)
4. AMP ID(s)

* If there is an approval signature section on your PO then it should be signed/approved before sending to Hewlett Packard Enterprise. Please indicate if you are taxable or tax exempt. If your organization is Tax Exempt, please send a copy of your Tax Exemption Certificate with your PO. Include your billing frequency and current invoice-to address.

Option 3: Sign and return the attached Signature Authorization Form (SAM).

* If you provide authorization via the SAM form (Signature Authorization Method), please insure that all of the applicable boxes are checked on the form, along with the printed name and signature of the authorizing party.

Note: If the information in Options 1 through 3 is not included in your PO or SAM Form then Hewlett Packard Enterprise will need to contact you to collect this missing data, which will cause a delay in activating your support contract(s). Hewlett Packard Enterprise requires these details for audit purposes.

Hewlett Packard Enterprise values your business and looks forward to providing you with continued support. If you require further assistance, please contact your HPE Representative at 1-916-540-1132 . You can send your PO or SAM to your HPE Representative, or FAX it to 1-800-307-0361.

Sincerely,
Tami Liechty
HPE Representative

SIGNATURE AUTHORIZATION METHOD (SAM)

Hello Phyllis,

Please let this letter serve to confirm that Hewlett Packard Enterprise Company (HPE) is the sole manufacturer/creator of all **HPE Branded** hardware and software being supported in this engagement.

Although HPE typically allows support for these products to be resold through authorized partners, HPE has exclusive control and ownership over all relevant trademarks, patents and other related IP, is the sole and original equipment manufacturer (OEM) and is the sole provider of the historical support for the time period of the order.

Signed
