

User Department's Recommendation

Recommended Bidder(s): F. M. Shelton, Inc., Core & Main LP and Fortline Waterworks meets our approval.

Amount Spent on Previous Contract: \$592,818.39

Name of Fund: General Operating

Project Amount This Term: \$505,312.56

Funding:
General Enterprise 3 Digit Fund Code 511
CIP Line Item No. (if applicable): _____

Justification:

The Department of Watershed Management recommends **F. M. Shelton, Inc., Core & Main LP and Fortline Waterworks** as the recommended bidders based on the line items from the bid tabulation form. PVC Sewer Pipe and Fittings are integral to the overall success of the Department of Watershed Management and to the Wastewater Division in particular. Sewer pipe and accessories are identified as critical to the overall mission of the department and must be maintained on hand at all times according to the Federal Consent Decree.
