**Purchasing Information**

Purchasing Instructions	This SWC covers network equipment, software and services (installation, engineering, site assessment, configuration, training, etc.) This Network Equipment Manufacturer sells its products via a group of authorized resellers. Customer may choose a certified reseller from the State APPROVED RESELLER LIST (click on the link below). Reseller's quotation must include the Statewide Contract #. Customer will be invoiced by the Reseller. For questions, regarding equipment specifications/details, warranty, features, etc., Customer can contact the Manufacturer directly. Information on Manufacturer's sales/technical representative can be found in the SWC Information Sheet.
