C. COMMENTS FROM THE PUBLIC

The purpose of public comment is to allow the public to voice county-related requests, concerns or opinions during the Commission meeting. Speakers will only have the opportunity for one public comment per meeting. Public comments may be made in person or submitted by sending an email no longer than one page to PublicComments@dekalbcountyga.gov which must be received between 9:00 a.m. and 10:00 a.m. on the day of the meeting. Only those emails received during the allotted time may be read aloud. Public comment emails received outside of the allotted time will be included in the public comment record for the next meeting after receipt of those emails. The body of your email must include your first and last name, followed by your address. By submitting an email for public comment at any time, you agree to have your name, address and email entered into the record/minutes. Each in-person speaker must complete a speaker card and present it to the clerk before the beginning of the public comment portion of the meeting.

Cards must be turned in to the clerk from the time the general meeting is convened (generally 9 A.M.) and by the beginning of public comment portion generally following presentations on the agenda. The clerk will accept cards on a first-come, first-served basis. Prior to the clerk's call for public comment, in-person speakers who are residents of DeKalb County shall be allowed to speak before residents of other counties are allowed to speak. Once the public comment portion of the meeting begins, speaker cards will no longer be accepted. Speakers will be allowed to speak for three minutes each and public comment shall not exceed 30 minutes in length. When the buzzer sounds to indicate that time has run out, the speaker will be expected to immediately cease speaking and to yield the podium. Those in-person attendees who submitted speaker cards but did not speak because of the time allotment will be allowed to speak first at the next regularly scheduled Commission meeting without regard to residence. If time remains in the proscribed public comment portion of said meeting, email comments will be read into the record by the clerk or designee. Any remaining email public comments received between 9:00 am and 10:00 a.m. on the day of the meeting not read into the record will be submitted into the minutes by the clerk or designee and shall be forwarded to each commissioner by email. Speakers should always talk directly into the microphone and begin by stating their name, full address and the name of any organization they represent. Abusive, profane or derogatory language, holding up signs, clapping, yelling, standing or laying in the aisles to show support for or opposition to a speaker will not be permitted, but a show of hands or quietly standing in place will be permitted to show support for or opposition to a speaker's position.

Public Comments: January 24, 2023 Unread Emails

1. Dr. Maryanne Weatherill, 3069 Dove Way Decatur GA 30033- Dear Commissioners, I am writing to you in opposition of the proposed rezoning and development at 1251 Robinwood Rd. I live on Dove Way which is in in close proximity to the proposed development and have property likely to be affected by the development. I have several concerns. My primary concern is the impact on the neighborhood infrastructure and resources. I am very concerned about damage to the neighborhood from runoff that may occur during the development process, including the potential for a high volume of water and possibly soil erosion/mud during rainy periods. The slope of the land is strongly pitched toward the existing homes and creekbed. I am concerned that this runoff will result in stress to the drainage systems in the neighborhood including flooding of the creek that already floods and stress on the sewer system which already has issues, and has affected homes of my neighbors and drainage of waste water from the neighborhood. I understand that there are regulations requiring management of water runoff and potential mud, however, if the management isn't sufficient then the damage will be done and the neighborhood will be left with the responsibility and expense of cleaning up their mess. Additional concerns are related to the density of the development and the strain on the neighborhood and infrastructures. A higher density development is likely to increase traffic. I live on one of the roads that is often used as a cut through from Lawrenceville highway to McLendon Avenue. People often drive at a high speed through this area that is frequently being used by pedestrians and includes driveways with decreased visibility therefore increasing the opportunity for accidents with cut through traffic traveling through the neighborhood at a high rate of speed. Though I have attended the developers meetings with the neighborhood I am still unclear as to why the density on this property needs to be increased from the original zoning and do not feel that the developers have supported this need. They have stated that they are unable to put homes that are 1000 square feet, which is the typical footprint for this neighborhood on the property. They have told us that 1000 square-foot properties are not feasible however they are proposing creating properties that are 500 square feet and placing them next to each other. I am confused as to why two 500 square foot properties can be placed next to each other but they cannot be combined to create 1000 square-foot properties. I am also concerned that the developers have not been completely forthcoming with us. A number of times they have been asked about the proposed price point for the properties after they are built. We have been told that that has not been decided. Realistically to undertake a development such as this it would be fiscally irresponsible to not have a price point in mind and they should be able to share that information with us rather than tell us that they don't have that information. They have also held meetings at the last minute and in unusual locations, applying pressure to us as neighbors to endorse the project at that moment without having the opportunity for full consideration and attempting to instill a false sense of urgency. I have additional concerns regarding the removal of the trees which not only act to help manage the erosion in the neighborhood but also provide our neighborhood with a sense of privacy and a sound barrier from Lawrenceville Highway traffic noise. Not to mention the noise that the development itself will create during the building process and with the increased number of residences. I feel that the current zoning is still appropriate and, based on current issues that my neighbors are experiencing, the property and neighborhood infrastructure does not support a development of the proposed density. My largest concerns for the neighborhood are related to damage to homes from runoff during the building period, clogging of the drainage system in the neighborhood, overstressing the sewer system, Increasing traffic and increasing noise. Thank you for your consideration of this issue in our neighborhood. Sincerely,

Public Comments: January 24, 2023 Read Emails

1. Amy Wilson, 3080 Piper Dr Decatur GA 30033- To whom it may concern: I am a homeowner at 3080 Piper Drive, Decatur, who is extremely concerned about the proposed development at the corner of Lawrenceville Highway and Robinwood Rd. which will include 16 houses on less than 2 Acres. I and several of my neighbors have been having frequent water and sewer problems and don't believe our area can sustain any more development until these situations are addressed. I wrote to Steve Bradshaw on March 23rd, 2022 because my toilet was bubbling so much that water came out onto the bathroom floor. Downstairs my sump pump smelled of sewage. I also emailed Rachel Bragg, Alesia Brooks, Carrie Kordys, and Robin Flieg at this time. On July 24 I relayed my concerns to the developer's lawyer, Den Webb. The toilet bubbled up and spilled water onto there floor again on August 1, 2022. Again I wrote Den Webb as he'd not followed up with me as promised. In addition to this, there have been frequent problems with brown water in my bathtub which I usually must drain and refill in order to take a bath. I have two sump pumps in my basement which are part of my home's Everdry waterproofing system. My next door neighbors have had their basement flooded with sewage several times over there past twelve years. In addition to other neighbors told me that their toilets had bubbled up, as well. I then contacted Ted Terry who, along with Kelly Cato and Davis Fox, was very helpful in making this matter known to the watershed dept. and the planning dept. When my neighbors and I expressed concerns in person to Steve Bradshaw this past Friday, 1/20/23, he suggested that we should get together and buy the property in order to halt the proposed development. I think not. The onus ought not be on us to solve this problem. We ought to be able to rely on our county to act in our best interests and develop our area in a manner which will not have a bad effect on our environment.

D. 10:00 A.M. PUBLIC HEARING

Citizens may speak for or against an item that is considered by law to be a zoning ordinance and each side will have ten minutes to present its case. Citizens may also speak for or against an item that is placed on the public hearing agenda but is not a zoning ordinance. In that case, each side will have five minutes to present its case. In the event there is more than one speaker per side, speakers must divide their time in order to complete their full presentation within the ten-minute time allotment, or the five minute time allotment. When the buzzer sounds to indicate that time has run out, the speaker will be expected to immediately cease speaking and to leave the podium area. Citizens may also email statements or documents related to public hearing items for inclusion in the public record by submitting such statements or materials by 9:00 a.m. on the date of the public hearing to PublicHearing@dekalbcountyga.gov. The body of your email must include a reference to the particular public hearing item to which your statement or documents apply by agenda number and your first and last name, followed by your address. By submitting an email related to any public hearing item, you agree to have your name, address and email entered into the record/minutes. In-person comments will be heard first. Prior to speaking, an in-person speaker shall complete a speaker card and present it when approaching the podium. If an in-person speaker has any documents for the commissioners, the speaker shall provide 10 copies when approaching the podium. Seven copies are for the commissioners and the remaining copies are for the planning director, the county attorney and the clerk. In all zoning ordinance and traffic calming cases, staff shall make their recommendation for action to the Commission first followed by applicants or citizens speaking in favor of the item. Applicants in zoning ordinance cases shall have the right to reserve time for rebuttal. Opponents of a zoning ordinance item shall have no right of rebuttal. For all other items placed on the public hearing agenda, applicants or citizens speaking in favor of the item shall speak first followed by opponents of the item.

J. COMMENTS FROM THE BOARD**K. EXECUTIVE SESSION****POLICY OF NON-DISCRIMINATION ON THE BASIS OF DISABILITY IN COUNTY SERVICES.**

DeKalb County Government does not discriminate against qualified individuals with disabilities or exclude them from participating in or receiving benefits of its services, programs, or activities, based on disability. Janet Essix, DeKalb County Government's Employee Relations Manager and ADA Coordinator, is designated to coordinate the County's compliance with Part 35 of the Department of Justice regulations regarding the Americans with Disabilities Act. Janet Essix may be contacted at 1300 Commerce Drive, 1st Floor, Decatur, GA 30030, 404.371.2309, to request information about access for persons with disabilities to County services, programs and activities, or to discuss a grievance regarding an impediment to such access. Ten days' notice is requested for special accommodations.
