COUNTY: DEKALB COUNTY DEPARTMENT OF WATERSHED  
MANAGEMENT  
P.I. NUMBER: 18-014                      PARCEL: 0032**

Greetings:

As you know, DeKalb County, acting through Atlas Technical Consultants LLC (formerly Moreland Altobelli Associates, LLC), must acquire a portion of your property in conjunction with the construction of the above numbered project.

The property rights required have been explained by our negotiator and are shown on the plat attached to the option previously furnished you. The County seeks to acquire **1066.00 square feet of Permanent Sewage Easement and 1060.00 square feet of Proposed Temporary Construction Easement** from your property located at **3287 Blanton Dr, Scottsdale GA 30079**. Through a process of thorough review of expert appraisals, we believe that the Fair Market Value for your property is **\$800.00**. Your appraised value came in at **\$800.00** and we will honor the original Option amount indicated above. I have attached a copy of the Appraised Summary page for your review.

We prefer to acquire the property needed for sanitary sewer easement; however, we are authorized by law to acquire property by condemnation. As litigation is costly to both the County and Landowner, it is our sincere desire that upon reconsideration of our offer, a settlement agreement can be reached, hopefully avoiding litigation. Since negotiations for the required property rights have concluded, the County provides an administrative review process as a final opportunity toward reaching an amicable settlement. Should you elect to submit an administrative review, your request must be made directly to **Jeff Joyner, Atlas Technical Consultants LLC** within ten (10) days of this letter, or by **November 1, 2022**. This appeal should be requested by mail using the attached form. It must include the lowest monetary amount acceptable to you with any supporting documentation.

Project: PKG 7

P.I. Number: 18-014

County: DeKalb

Parcel: 0032

Upon receipt of your request for an administrative review, an authorized representative of DeKalb County will contact you to arrange a meeting for a discussion of your views and supporting documentation of the value of your property. With this being the final effort for settlement, please be prepared to furnish any supporting documentation. You are not required to be represented by an attorney; however, anyone you deem necessary may accompany you. Should this final review fail to produce an agreement, condemnation action will be initiated.

Legal proceedings will be instituted after **November 1, 2022**, if we have not received an executed option, a request for an administrative review, or some other form of satisfactory reply. We regret that such action may become necessary, but we must proceed with acquisition in order to meet the scheduled construction dates.

Yours Very Truly,

Jeff Joyner
