The Uniformed Security Guard Services (USGS) contract expires on December 31, 2023. An RFP was posted and the USGS committee has scored the respondents. Purchasing and Contracting is completing the final selection for submittal to the BOC for approval and award of the new contract. In anticipation of delays in getting the required signatures on the new contract once approved by the BOC, a month to month extension is being requested, effective January 1, 2024. This will provide a means to continue USGS without interruption until the new USGS contract is in place.
