DCAS Advisory Board Responsibilities

Advance humane and healthy treatment of animals.

Advise Dekalb, the Governing Authority and Animal Services on the welfare of animals.

Assist Animal Services with implementation of a long-term plan that improves practices, service delivery, efficiency, and facilities.

Identify strategies to improve the lives of animals.

Assist in securing grants and funding.

Advance cooperation and communication to create a comprehensive safety net of services, lifesaving measures, and animal population management activities.

Recommendations

BUILD MORE SPACE

INCREASE STAFFING
AND TRAINING

SUPPORT FAMILIES
AND THEIR PETS IN
NEED

PREVENT MORE
HOMELESS PETS

REDUCE LENGTH OF
STAY FOR COURT-
HELD DOGS

Contributors to Strain on Shelter Operations

Consistently high intake of animals
and reduced number of adoptions
and rescue transfers

Increase in the number and duration
of stay of court-held animals

Current shelter space does not
support county population

*Conservative estimate

Solutions to Court-Held Animal Overcrowding

DeKalb County Governing Authority

- Urge surrender in field and shelter for neglect and cruelty cases
- Use State law provisions to help counties
 - Motion to Dispose
 - Cost of Care
- New local legislation requiring owner to post bond to cover cost of care

District Attorney and Solicitor General

- Urge surrender at arraignment, subsequent hearings, and trial
- Coordinate with defense counsel to develop consent order
- Support County Attorney in motions to dispose and costs of care

DeKalb County Courts

- Issue bench warrants when defendants first fail to appear for court
- Discourage ongoing efforts to postpone proceedings
- Encourage cooperation between prosecution and defense where the lives of animals are affected
