C. COMMENTS FROM THE PUBLIC

The Public Comments portion of this meeting is reserved exclusively for comments from the public, and not for immediate reply. Statements made during the Public Comments portion do not necessarily reflect the Opinions of the Board or the Administration of DeKalb County Government. The purpose of public comment is to allow the public to voice county-related requests, concerns or opinions during the Commission meeting. Speakers will only have the opportunity for one public comment per meeting. Each speaker must complete a speaker card and present it to the clerk before the beginning of the public comment portion of the meeting. Speakers will be allowed to speak for three minutes each and public comment shall not exceed 30 minutes in length. When the buzzer sounds to indicate that time has run out, the speaker will be expected to immediately cease speaking and to yield the podium.

Those who submitted speaker cards but did not speak because of the time allotment will be allowed to speak first at the next regularly scheduled Commission meeting without regard to residence. Speakers should always talk directly into the microphone and begin by stating their name, full address and the name of any organization they represent. Good morning, everyone, I would like to take this time to extend my sincerest condolences to Master firefighter Barry Everett, a nine-year veteran, and Master firefighter who was assigned to DeKalb Fire Station 25's B shift. My thoughts and prayers are with his family.

I was pleased to join CEO Thurmond and my fellow colleagues at the SPLOST Open House on July 26th. Hosted in downtown Decatur, DeKalb residents were provided with updates on the Special Purpose Local Option Sales Tax (SPLOST). In addition, all attendees were formally introduced to the SPLOST Oversight Committee as well as the SPLOST program management team, Moreland Altobelli. 3. Commissioner Mereda Davis Johnson read the following comments:

Thank You, Mr. Presiding Officer, and Good morning everyone again.

I would like to begin my comments by offering our deepest sympathy for the families of Firefighter Barry Everett, a nine year veteran of DeKalb County Fire Rescue, who passed away while on watch at Station 25 and Ms. Margaret Brown who was the widow of Former District 5 Commissioner Bill Brown who represented the 5th with honor and distinction. Let us take a moment of silence to honor their lives.

We have been very busy over the last couple of weeks and I would like to share with you all of the great things that have been going on.

Thank you to Dr. Stephen Green, DeKalb County Superintendent for hosting a Back to School Bash at three locations. It is my understanding that the School System was able to serve over 2,000 parents at each location. I had an opportunity to speak with Dr. Green and I am thankful to live in a County where the School System puts students first. We wish you much success as you work hard this year!

Hank and I also had the opportunity to attend the City of Clarkston's Back to School celebration in partnership with ICNA USA. It was so great to see so many children receive the school supplies that they need for the upcoming year.

We also stopped by the AMR Back to School Safety Jam at the Redan Recreation Center where we got an opportunity to talk to residents and learn more about youth and safety. We heard an inspirational story from a young man, who shared the importance of vehicle safety and making the right decisions. Thank you to Ms. Jakequeline Walls, AMR Ambassador and Major K D Banks of the East Precinct for working to put this event together.

On the following day, Hank and I had an opportunity to join Atlanta Rapper, 21 Savage for a Back to School Supply Drive which was hosted off of Glenwood Road. Students received Free Hairstyles, Free Haircuts, School Uniforms, School Supplies and we had a great time. I read an article in the AJC that stated the supply drive provided more than 2,500 DeKalb County school children with school supplies.

On last Monday, we had the pleasure of joining our CEO Michael Thurmond, Mike Render, known as "Killer Mike", Reggie Bullock of the Detroit Pistons,

Commissioner Larry Johnson and my husband Congressman Hank Johnson for a tour of our jail and a panel discussion on Prison Reform. We were able to hear from a few of the inmates in the jail regarding what tools can be put in place to help with Reentry & Recidivism as they plan to make their transitions back into the world. I would like to thank our Sheriff, Jeff Mann for hosting us and his amazing team for all of their hard work.

Last week, I had the opportunity to attend the Congressional Black Caucus Annual Policy in Tunica, Mississippi. We had several panel discussions on topics such as The Future of Work: Human Capital Skills and Education, the Front-lines of Change: Women, Minorities and Millennials and Opioid Addiction in the African – American Community: Public Health Emergency or Criminal Justice Crisis? The conference was amazing.

We invite any HOA's or Community Organizations to partner with us on your next clean up. We are moving those clean – ups from the 2nd Saturday in the month to the 3rd Saturday in the month. This is an opportunity for me to meet residents and share some of the exciting things that we have going on in DeKalb. We will have representatives there from departments to help with any concerns that residents may have. We look forward to seeing you there.

Thank you for allowing me to serve as your District 5 Commissioner.

4. Commissioner Steve Bradshaw read the following comments:

Thank you Mr. Presiding Officer. Good Morning Everyone.

On July 25th I held the first District 4 Mayor's Roundtable meeting. The objective of this meeting was to bring together the mayors of the four

municipalities that are wholly within District 4 to have an open discussion about issues of mutual concern. The mayors were all very appreciative of being invited to such a gathering and expressed enthusiasm for meeting on a regular basis. My objective in hosting such a meeting was to underscore the fact that we are all in this together. Irrespective of whether one resides in a city or in unincorporated DeKalb County, we are all in this together. This sentiment needs to be demonstrated with more than just words, which is why I convened the meeting. I would like to personally thank:

- Avondale Estates Mayor Jonathan Elmore
- Clarkston Mayor Ted Terry
- Pine Lake Mayor Melanie Hammet
- Stone Mountain Mayor Pat Wheeler
- For their participation and support

I really appreciate it!

On July 26th I attended the Opioid Summit at the Porter Sanford Center. We all know that opioid abuse is a serious problem that requires serious and sustained solutions. Anything that we can do to shine a light on this challenge is a good thing. I would like to commend Commissioner Larry Johnson for doing just that by hosting this informative gathering. That evening I attended the SPLOST Kick Off Meeting. We all know that SPLOST is probably the biggest thing that we have done in DeKalb County. It is imperative that we get this right. I want to commend CEO Thurmond and the entire administration for their efforts on this front.

On July 27th I attended the Minority Mental Health Symposium at Clarkston First Baptist Church. We all know that there are mental health issues that plague many of our communities. Shining a light on these issues is important as well. I commend the members of the Urban Health Initiative for sponsoring this event. And Pastor Karl D. Moore and First Lady Angela Moore for hosting the event at their church. That evening I attended the Summer After Dark Basketball League Recognition Ceremony also at Clarkston First Baptist Church. This is a great program that helps to keep our young people off the streets. I commend Det. Khary Ricketts and all the members of the DeKalb Police Athletics League for their engagement in this wonderful program.

On July 28th we held our third Quarterly in the Fourth Community Breakfast at Elizabeth Andrews High School. As usual, it was nice to have a spirited exchange of ideas with my constituents. They know that they have a

commissioner who is accessible to them. I want to thank the members of the administration who were there to support our efforts. And I would like to thank Principal Merlon Jones for hosting us at his wonderful facility. I would also like to thank the Clarkston High School Cooking Angoras for once again providing us with a wonderful breakfast meal. August 8th was National Night Out. That evening I was able to hit three events: Clarkston, Avonridge subdivision and Water's Edge subdivision. At each stop the fellowship was wonderful and the food was excellent.

On August 11th I was happy to attend the Rockborough Subdivision Back to School Block Party. Neighborhood kids were provided with free school supplies and it was a very delightful event. I would like to commend Stone Mountain City Council Members Shawnette Bryant and Diana Roe Hollis for hosting the event. Later that day I attended the Sixth Annual Community Appreciation Day hosted by our Clerk of the Superior Court Debra DeBerry at the Browns Mill Aquatic Facility. It was my first time at that facility and I was very impressed. The event was very well attended and everyone seemed to be having a great time. I commend Debra DeBerry for giving back to the community.

On August 12th I attended the 19th church anniversary service at First St. Peter AME Church. It was a wonderful celebration. During my remarks I mentioned that I had grown up in the AME Church in Savannah, GA where my grandfather, Rev. Jack Johnson Bradshaw was pastor. It turns out the some of the church members actually knew my grandfather back in the day. Small world. I would like to thank Pastor Marcus Green for the invitation and I look forward to returning in the future.

On August 13th I was pleased to attend the Legislative Breakfast at Oakhurst Medical Center as they kicked off National Health Center Week. Health centers of this type deliver high quality, cost effective, accessible care while serving as critical economic engines helping to power local economies. This facility is a jewel in District 4 and DeKalb County. I commend CEO Jeff Taylor and his entire staff for the tremendous service that they are providing to our community.

As always you may call my office with any questions or concerns at 404-371-4749. And I thank the citizens of District 4 for affording me the opportunity to serve. Thank you Mr. Presiding Officer.
