Department of Purchasing and Contracting
NON-COMPETITIVE PROCUREMENT REQUEST FORM

Requesting Department: IT Department

Department Contact Person: Angela Green   Telephone: 470 755-2241

Email: adgreen@dekalbcountyga.gov

Requisition Number: _____   Suggested Supplier: BIS Digital

Estimated Amount of Purchase: $ 112,091.63

Detailed Description of the Goods or Services to be purchased: Maintenance and Support of County AV Equipment

☐ **Emergency** (For Emergency Requests, Please check this box and answer **all** questions below.)

1. Date and Time of Emergency Occurrence:_____

2. Please state the nature of the emergency posing a risk to public health, welfare, safety or resources:

3. State how the Estimated Amount was determined to be Fair and Reasonable (attach supporting documentation):

☑ **Sole Source** (Please check box and answer all of the following completely.)

1. Provide and explanation why the product, service or supplier requested is the only method that can satisfy the requirements. Please explain why alternatives are unacceptable. Be specific with regard to specification, features, characteristics, requirements, capabilities and compatibility. (Attach additional documents, if necessary):

   See below.

2. Will this purchase obligate us to a particular vendor for future purchases? (Either in terms of maintenance that only this vendor will be able to perform and/or if we purchase this item, will we need more "like" items in the future to match this one?) Explain in detail.

   Yes, as long as we need the maintenance

3. Explain the impact to the County or Public if this request is not approved.

   Extended downtime and lost productivity and loss of room functionality resulting from inoperable equipment is replaced and reconfigured. The downtime may extend from hours, days, or weeks while we search for replacements, attempt to configure and replace equipment.

I hereby request that this non-competitive procurement request be approved for the purchase of the above stated work, material, equipment, commodity, or service.

[Print Form]

(Additional information, attach pages if required):

The BIS Digitial maintenance and support agreements are required to support the audio visual (AV) equipment installed and configured by BIS Digital. Because of the custom installation and tight integration with the newly installed AV room management system it would be difficult for other providers to fully support the environment including all customization. BIS Digital has engineered, installed, configured, and supported all DCG courtrooms, all conference rooms in Sam's Street, and will be installing the AV and room control environment for the newly remodeled Maloof Auditorium.

Public Notice of Proposed Award of Sole Source Procurement

Section A – Description of Proposed Sole Source Procurement

Description of Supplies/Services: Maintenance and Support of the County's AV Equipment

Demonstration of Contractor's Unique Qualifications:

The BIS Digital maintenance is required to support the audio visual (AV) equipment installed and configured by BIS Digital. Due to the custom installation and tight integration of the newly installed AV room management system it would be difficult for another provider to fully support the environment with all the current customizations. BIS Digital has engineered, installed, configured, and supported all DCG courtrooms, DCG conference rooms in Sam's Street, and will be installing the AV and room control environment for the newly remodeled Maloof Auditorium.

Section B – To Be Completed by the Department of Purchasing and Contracting

Date Public Notice closed: May 8, 2024

Review of Offers

Were any offers received (Yes/No): NO

Number of offers received: NO

Responders: NONE

Purchasing Agent review and recommendation: Recommend award to the single source, BUSINESS INFORMATION SYSTEMS, INC, 1350 NE 56th Street Suite 300 Fort Lauderdale, FL 33334

Amount not to exceed: $112,091.63.

Due to the custom installation, and tight integration of the newly installed AV room management system it would be difficult for another provider to fully support the environment with all the current complex customizations. BIS Digital engineered, installed, configured, and supports all DeKalb County Government (DCG) Courtrooms, DCG Conference Rooms located at Sam's Street, and the newly remodeled Maloof Auditorium which will include an upgraded AV system and control room. Failure to approve will result in extended downtime, lost productivity, and loss of room functionality resulting from inoperable equipment. Downtime may extend from hours, days, or even weeks while we search for replacements and attempt to re-configure and replace equipment.

Due to not receiving any offers within the required window and the sensitive nature of the project, it is my recommendation that this purchase be approved.

To Whom it May Concern,

BIS Digital, Inc. (Business Information Systems) in partnership with HCI is the sole developer, designer, and manufacturer of the DCR product line.

BIS Digital is the only provider of DCR software updates, maintenance, and support.

DCR was designed for the purpose of capturing mission-critical audio and video, and BIS Digital is the only distributor and servicer for the product nationwide.

For more information about DCR products and services, please contact your account manager, Dan Meyer at dan.meyer@bisdigital.com or 800.834.7674 ext. 4518.

Sincerely,

Kirk

TOTAL	$112,091.63

Accepted By   Accepted Date

This is the first year the maintenance and support agreements are going to be in place, so there is no previous spend.

No formal contract is required.

Thank you,

Subject: RE: REQUISITION No 1055841(Sole-Source AV Maintenance and Support- New Contract Number M-50031234) with Business Information System

Good afternoon Ms. Green,

I am working on BIS Sole-Source and need to know:

1. What is the previous spend history?

2. Will this Sole Source require a contract?

Warm regards,

Sarah S. Pratt |Procurement Tech,Team B
