DeKalb County Police Services Department is looking to purchase new laptops for Moto Units & Vehicle Fleets using the Omnia Partners Contract No. 4400006644 for Technology Products, Services, Solutions & Related Products and Services.

The current laptops being used in the Moto Units and Vehicle Fleet are outdated, freezing up and running slow. This purchase will give the Police Department an opportunity to upgrade their technology and work more efficiently by replacing the old laptops in all Police vehicles.

Purchasing off the OMNIA Partners Technology Products, Services, Solutions & Related Products and Services Contract No. 4400006644 grants the County a 36% discount off MSRP.
