Cooperative Personnel Services dba CPS HR Consulting	957615	\$75,379.38

Total Amount Spent to Date: \$75,379.38			

User Department Recommendation / Justification: Fire Rescue Services is requesting to add \$115,000.00 to the existing contract to enable testing through the contract period ending in 2018. When the RFP for this contract was originally written Fire Rescue Services anticipated giving 1 test per year. Due to low participation the department has needed to give 3 tests over the last two years. This extension will allow for 1 additional test in 2017 and 2 tests in 2018 if needed.
