| 7. | | | | | | |
| 8. | | | | | | |
| 9. | | | | | | |
| 10. | | | | | | |

Summary Results

I spoke with a representative from both companies and they are not planning to submit proposals for this project. Both individuals indicated that they have quite a few projects in process and coming up where they did not want to take on too much, but will submit bids and proposals for future project with DeKalb County.
