1. JoeAnn Sause - 1861 Clairmont Rd., 109A Decatur, GA 30033 - Board of Commissioners' Meeting, November 9, 2021, First I would like to thank Commissioner Jeff Rader for supporting us and the Central Dekalb Senior Center. We are most appreciative of his presence at several of our outdoor events. Also a thank you to our Central Dekalb Senior Center staff that has gotten us through the pandemic. Victoria, Marian and Valerie have done an outstanding job of keeping us busy with classes, either through Zoom or outdoor events. I also want to give a shoutout to Sue Nunez who is always there to lend a helping hand with anything needed. We seniors need our brains to be kept active and Victoria and staff have done a primo job of doing just that. Now the weather is getting colder and we would like nothing better than to get back INSIDE our beloved center. We seniors need to have the camaraderie, socialization and friendship of our fellow members that has been missing from our lives for almost two years. We have all played by the rules, been vaccinated, boosted and had our high-dose flu shots. We wear our masks even at outdoor events. We socially distance. We do all we can do to stay healthy. All that is missing for us now is to have our Central Dekalb Senior Center reopened and get back to ALL the wonderful exercise classes, dancing, Hootenannys, crafts, painting, events and programs that were offered to us prior to the pandemic. I know I speak for all my fellow members that the reopening of our Central Dekalb Senior Center is the 2021 Christmas present we collectively wish to get. PLEASE REOPEN CENTRAL DEKALB SENIOR CENTER! Respectfully,

2. Ed Williams (No Address) - Good Morning Commissioners: I am chair of the group Concerned Citizens for Effective Government. I am a taxpayer and resident of DeKalb County however I have never had the opportunity to vote on a MARTA transit contract or its services as a resident of DeKalb County. The only MARTA referendums held in DeKalb and Fulton counties were in 1971. The MARTA board has extended the transit contract to 2057 without a referendum. This represents one hundred years of disenfranchisement and taxation without representation. The MARTA Board members are not elected, and MARTA treats a transit contract as a perpetual law, which it changes at will without any legislative authority. We fought a Revolutionary War over taxation without representation, yet today we have commission representatives and legal counsels who seem to be clueless of the basis of our tax laws or chose to act in the manner that replaces the sovereign authority of the state. There are no provisions under the laws of the state that provides that a local sales tax can be levied without a referendum or that it can be extended without a referendum. MARTA has violated the constitution in regard to the transit contract regarding the Impairment clause which prohibits governments from changing the terms of a contract while it is in operation; the Intergovernmental Agreement clause which prohibits contracts from being more than 50 years without a renewal; and the taxing Authority without a referendum to approve a tax not specifically levied by General Law or authorized under the constitution. So, Why does MARTA seek to continue to disenfranchise DeKalb, and Fulton Counties' residents and deny them the opportunity to vote on a sales tax that finances the MARTA operations under the RTCAA, but yet allow Gwinnett County, City of Atlanta, and Clayton County referendums? DeKalb had no legal authority to pass any resolutions approving the extension or amendments of the RTCAA without a referendum to extend the one percent sales tax beyond August 31, 2021. Now MARTA in 2020 suspended and 70 bus routes for an entire year, now they are seeking to eliminate 60 bus routes permanently. This is what happens when you allow MARTA to do whatever it wants and not hold them accountable with our sales tax money. MARTA claims that the General Assembly levied the MARTA sales tax in the MARTA Act section 25. The only thing that the General Assembly did in the MARTA Act was to authorize that a local jurisdiction could call for a referendum to levy a sales tax. The General Assembly did not levy any MARTA sales tax. The power of taxation lies with the state and the General Assembly. There is no SPLOST, T-SPLOST, HOST, E-HOST, LOST,

E-SPLOST, or any other local sales tax that can be levied or extended without a referendum. What is the meaning of having the right to vote, but be denied the right? Thank you

3. Stephen Binney, (No Address) Good Morning Commissioners, Transparency is the first topic of the day. 90% of the time a formal open records request is filed the answer than is sent out is that the person that is asked about the document is..."they were not in possession of the document you sought". What does this even mean? They were not in possession at the time the request came? They have never had possession of the document? Or the document is being passed around and a citizen has to guess who will have possession of the document at any given time. I have heard and seen the County Attorney say and write that unless the proper person is named in the Open Records Request the County does not have to turn over the requested documents but the citizen asking for the documents is never told who has the documents so that they may address their Open Records Request to the proper person. Documents and reports are produced by the county but when asked for them, we are told, they are not in possession of the document you sought. Asking for Dekalb County documents should not be like a child's game of Hide and Seek. One document I do have in my hand is the newly drawn Dekalb County Commission Districts to be submitted to the State Legislature in January. Was this map released publicly or did I just get lucky? No more Super Districts Mr Johnson? Will there be any public hearings to discuss the new districts. Maybe voters will want to maintain the Super Districts. Will you ask them? Or will this be walked on like the pay raise was a few years ago. Will the voters get to vote on this proposed change in Dekalb County government in an election before it is sent to the state legislators or will we get to vote on the proposed changes in an election after they are approved by the state? Will we get to vote in an election at all on this? We would get three new Commissioners out of the current plan since Mereda Davis-Johnson and Lorraine Cochran-Johnson will be in the same district. Perhaps the maps were drawn this way on purpose. Speaking of districts there is a small market at 909 McLendon that is currently in Mr Bradshaw's and Mr Terry's district. The County is currently putting together a plan, using or abusing loopholes, to take this property away from it's current owner to give it to a developer. The current owner has been paying their property taxes and holding on to property for their retirement. This building and property has been at 909 McLendon for over 120 years and should be protected as a historical structure and site. I ask you Mr Bradshaw and you Mr Terry to please look into this and see what you can do to help the community around this building and the history it possess. Thank you for your time and consideration,

4. Donna E. Bradley 1861 Clairmont Rd. Apt. A-113 Decatur, GA 30033 - Dear Board of Commissioners, When I moved to DeKalb County four years ago, I was overjoyed that my new apartment was right up the hill from the Central DeKalb Senior Center. Within a week, I became a member. All of a sudden, I was a part of a community. Best of all, I made friends. Enter COVID. For the past nineteen months, we've been without our customary CDSC programs and routines. Recently, thanks to Commissioner Rader, we've been able to enjoy a variety of outdoor programs, including our Hootenanny, Zumba Gold, and the DeKalb Symphony flute trio. We loved it. I hope that the CDSC will reopen soon. Just walking in the door will make me happy. We need our community. Thank you so much for all you do for seniors.

5. Ruth Zehfuss 1315 McConnell Dr. Apt 518 Decatur GA 30033 - When I moved to Dekalb County as a widow five years ago, my local senior center helped me to build a new social system, keep my brain active, and participate in senior exercises. We've had almost two years of Covid. Sorry, but Zoom and online offerings do not provide the social interaction that we seniors need (I am 85 and live alone). As for Covid, most seniors at

my senior center have been vaccinated. Any senior in the county who plans to be vaccinated has had the opportunity. Our centers, like our libraries and senior centers in surrounding counties, have facilities for screening, masking, and social distancing. My taxes pay for heating, maintaining, and staffing our senior centers. Why can't we open them?

6. Joanna F. Anand, 1861 Clairmont Rd. #204 Decatur GA 30033 - Dear Board of Commissioners- I moved to Dekalb County from New Jersey three years ago and was fortunate to find Central DeKalb Senior Center in my first few months here. CDSC quickly helped me feel part of a warm and stimulating community. I have taken full advantage of the amazing array of classes offered to us through Zoom during the Covid pandemic. But, having sorely missed the interaction and comradery, I appreciate the recent outdoor in-person offerings we have been enjoying. At the outdoor Dekalb Symphony flute performance I met a woman who moved to a condo here from Indiana this summer and has been feeling very isolated and lonely. She was so happy to make connections with us. She, like all my CDSC friends, is eager for indoor activities to reopen. I am confident that our dedicated CDSC staff will accomplish reopening in a way that will be safe for all. Many, many thanks to Commissioner Jeff Rader for the support he has given us in the past and continues to give us.

7. Kathleen Hedrick, 105 Oglethorpe Dr NE. - My name is Kathleen Hedrick and I live in Brookhaven at 105 Oglethorpe Dr NE. Since closing in March 2020, Victoria and the CDSC staff have done a wonderful job of online opportunities for us but now it is time to be back in the building. Most seniors have done all we can do ... masks, vaccines and boosters. Schools and businesses are reopened and we are ready or CDSC to do the same. Thank you, Commissioner Rader for your continuing support of CDSC. Please encourage your fellow commissioners to take the necessary steps to reopen our center. We are ready!

8. Jacque Aly, 1315 McConnell Dr, Apt. 418 Decatur, GA. 30033 - Dear Commissioner Rader, We are sincerely grateful to you, other DeKalb County Commissioners, and the CDSC for the opportunities and privileges the Senior Center has offered to us since its opening. The success of the CDSC is largely due to your support, Commissioner Rader, and the exemplary leadership and commitment of our CDSC director, our outstanding staff members, and the quality of our class instructors - all of which have given us a community and resource of enormous value. The sense of community that resulted cannot be overstated. Rather than the deep sense of loneliness and poor fitness many seniors experience that results from isolation and other factors, we have flourished. Friendships fostered at the Center, fitness classes instructors who are fun and have a professional knowledge of body mechanics - that specifically meet the needs of older American - and an enormous range of diverse, intelligent, and mentally stimulating programming have all created a remarkable resource for us. Since the CDSC closed its doors to Covid almost two years ago, the individuals who made it so remarkable still took every creative effort to keep us connected. But nothing can replace the physical presence of others. Clearly, we understand the reason that the CDSC had to close. But now, we are vaccinated. Please consider reopening the Center. Most of us will be happy to provide a copy of our vaccination cards if that will help to open the doors. Sincerely,
