TO: Phyllis Head, Procurement Manager – Purchasing & Contracting
FROM: Beverly D. Williams, IT Business Officer – Innovation & Technology
THROUGH: John Matelski, CIO/Director – Innovation & Technology
SUBJECT: KRONOS Clocks Replacement
DATE: February 4, 2021

The Department of Innovation and Technology is requesting Purchasing and Contracting's assistance processing the attached request for Kronos Clock Replacement. This request is to upgrade the Kronos clocks to the proximity/smart card terminal. This will allow for touch less clocking in. Employees don't have to swipe a badge or enter an employee ID on the device. The biometric verification devices will be upgraded to include facial recognition. This will ensure that employees can clock in without having to touch the devices, thereby reducing the exposure to COVID virus.

This request will be funded through the IT Hardware account 01605.542201.100.0000.0000. Total Amount Not to Exceed is \$378,457.05

If additional information is required, please contact Beverly D. Williams (470-513-4826)
