Notice of redemption, unless waived, is to be given by first class mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the registered owner of each Series 2025 Bond to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar. All such Series 2025 Bonds called for redemption and for the retirement of which funds are duly provided shall, on the redemption date designated in such notice, become and be due and payable at the redemption price provided for redemption of such Series 2025 Bonds on such date, and interest on the Series 2025 Bonds or portions of Series 2025 Bonds so called for redemption shall cease to accrue, such Series 2025 Bonds or portions of Series 2025 Bonds shall cease to be entitled to any lien, benefit, or security under the Resolution, and the owners of such Series 2025 Bonds or portions of Series 2025 Bonds shall have no rights in respect thereof except to receive payment of the redemption price. Any defect in any notice of redemption shall not affect the validity of proceedings for the redemption of any Series 2025 Bonds.

The County has established a book-entry system of registration for the Series 2025 Bonds. Except as specifically provided otherwise in the Resolution, an agent will hold this Bond on behalf of the beneficial owner hereof. By acceptance of a confirmation of purchase, delivery, or transfer, the beneficial owner of this Bond shall be deemed to have agreed to such arrangement. While the Series 2025 Bonds are in the book-entry system of registration, the Resolution provides special provisions relating to the Series 2025 Bonds, which override certain other provisions of the Resolution. This Bond is transferable by the registered owner at the principal corporate trust office of the Bond Registrar but only in the manner, subject to the limitations, and upon payment of the charges provided in the Resolution and upon surrender of this Bond. Upon such transfer, a new registered Bond or Bonds of the same series, maturity, interest rate, aggregate principal amount, and tenor, of any authorized denomination or denominations, and bearing numbers not then outstanding, will be issued to the transferee in exchange for this Bond. The Series 2025 Bonds are issuable as fully registered Bonds in the denomination of \$5,000 or any integral multiple thereof. The Bond Registrar is not required to transfer or exchange any Series 2025 Bond after notice calling such Series 2025 Bond for redemption has been given or during the period of 15 days (whether or not a business day for the Bond Registrar, but excluding the redemption date and including such 15th day) immediately preceding the giving of such notice of redemption.

The Series 2015 Bonds, the Series 2022 Bonds, the Series 2023 Bonds, the Series 2025 Bonds and such revenue bonds of the County as may in the future be issued on a parity therewith, are equally and ratably secured by pledge of the "Pledged Revenues" of the water and sewerage system (the "System") of the County, which are defined in the Master Bond Resolution to include gross operating revenues, certain amounts payable by any provider of a Hedge Agreement (as defined in the Master Bond Resolution) pursuant to such Hedge Agreement, moneys and securities from time to time on deposit in the funds and accounts established in the Resolution, and earnings on investments made with the foregoing moneys and securities, excluding any amounts required in the Resolution to be set aside pending, or used for, rebate to the United States government pursuant to Section 148(f) of the Internal Revenue Code of 1986, as amended, and any regulations promulgated with respect to any such rebate requirement.

Pursuant to a resolution adopted by the County on March 5, 1985 (as amended and supplemented, the "Prior Lien Resolution"), the County has heretofore authorized, issued and delivered (1) its Water and Sewerage Revenue Refunding Bonds, Series 2006B, in the original aggregate principal amount of \$271,895,000 (the "Series 2006B Bonds"), which were outstanding in the aggregate principal amount of \$172,680,000 as of January 1, 2025 and (2) its Water and Sewerage Revenue Bond, Series 2010 (Federally Taxable Recovery Zone Economic Development Bond), in the original principal amount of \$28,400,000 (the "Series 2010 Bond" and together with the Series 2006B Bonds, the "Prior Lien Bonds"), which were outstanding in the aggregate principal amount of \$2,295,000 as of January 1, 2025. The Prior Lien Bonds are payable solely from, and secured by, a first lien on and pledge of "net revenues" (as defined in the Prior Lien Resolution) of the System. The County has agreed that it will not issue any

additional bonds or obligations of any kind payable from a lien on net revenues of the System ranking as to such lien on net revenues of the System created by the Prior Lien Resolution on a parity with the Prior Lien Bonds. So long as the Prior Lien Bonds remain outstanding, the Series 2015 Bonds, the Series 2022 Bonds, the Series 2023 Bonds, the Series 2025 Bonds and such revenue bonds of the County as may in the future be issued on a parity therewith will be payable solely from, and secured by, a second lien on and pledge of “net revenues” (as defined in the Prior Lien Resolution) of the System.

THIS BOND SHALL NEVER CONSTITUTE AN INDEBTEDNESS OR GENERAL OBLIGATION OF THE STATE OF GEORGIA, DEKALB COUNTY, OR ANY OTHER POLITICAL SUBDIVISION OF THE STATE OF GEORGIA, WITHIN THE MEANING OF ANY CONSTITUTIONAL PROVISION OR STATUTORY LIMITATION WHATSOEVER, NOR A PLEDGE OF THE FAITH AND CREDIT OR TAXING POWER OF ANY OF THE FOREGOING, NOR SHALL ANY OF THE FOREGOING BE SUBJECT TO ANY PECUNIARY LIABILITY HEREON. THIS BOND SHALL NOT BE PAYABLE FROM NOR A CHARGE UPON ANY FUNDS OTHER THAN THE REVENUES PLEDGED TO THE PAYMENT HEREOF AND SHALL BE A LIMITED OR SPECIAL OBLIGATION OF THE COUNTY PAYABLE SOLELY FROM THE FUNDS PROVIDED THEREFOR IN THE RESOLUTION. NO OWNER OF THIS BOND SHALL EVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF THE TAXING POWER OF THE STATE OF GEORGIA, DEKALB COUNTY, OR ANY OTHER POLITICAL SUBDIVISION OF THE STATE OF GEORGIA TO PAY THE PRINCIPAL OF THIS BOND OR THE INTEREST OR ANY PREMIUM HEREON, OR TO ENFORCE PAYMENT HEREOF AGAINST ANY PROPERTY OF THE FOREGOING, NOR SHALL THIS BOND CONSTITUTE A CHARGE, LIEN, OR ENCUMBRANCE, LEGAL OR EQUITABLE, UPON ANY PROPERTY OF THE FOREGOING. NEITHER THE MEMBERS OF THE GOVERNING BODY OF THE COUNTY NOR ANY PERSON EXECUTING THIS BOND SHALL BE LIABLE PERSONALLY ON THIS BOND BY REASON OF THE ISSUANCE HEREOF.

The County has covenanted and hereby covenants and agrees while any Series 2025 Bonds are outstanding and unpaid to prescribe, fix, maintain, and collect rates, fees, and other charges for the services, facilities, and commodities furnished by the System fully sufficient at all times to: (i) provide for 100% of the expenses of operation and maintenance of the System and for the accumulation in the Revenue Fund (as defined in the Master Bond Resolution) of a reasonable reserve therefor, and (ii) produce net operating revenues in each Fiscal Year (as defined in the Master Bond Resolution) that, together with certain investment earnings, will: (a) equal at least 120% of the debt service requirement on all Prior Lien Bonds and Senior Bonds (as defined in the Master Bond Resolution) then outstanding and 100% of the debt service requirement on all Subordinate Bonds (as defined in the Master Bond Resolution) then outstanding, (b) enable the County to make all required payments into the Debt Service Reserve Account and the Rebate Fund and to any Financial Facility Issuer, any Reserve Account Credit Facility Provider, and any Qualified Hedge Provider (as each is defined in the Master Bond Resolution), (c) enable the County to accumulate an amount to be held in the Renewal and Extension Fund (as defined in the Master Bond Resolution), which in the judgment of the County is adequate to meet the costs of major renewals, replacements, repairs, additions, betterments, and improvements to the System, necessary to keep the same in good operating condition or as is required by any governmental agency having jurisdiction over the System, and (d) remedy all deficiencies in required payments into any of the funds and accounts mentioned in the Resolution from prior Fiscal Years.

The Resolution contains a more particular statement of the covenants and provisions securing the Series 2025 Bonds, the conditions under which the owner of this Bond may enforce covenants (other than the covenant to pay principal of and interest on this Bond when due from the sources provided, the right to enforce which is unconditional), the conditions upon which additional revenue bonds may be issued on a parity or achieve parity status with this Bond under the Resolution, and the conditions upon which the

Resolution may be amended with the consent of the owners of a majority in aggregate principal amount of the Bonds (as defined in the Resolution) of each class (senior and subordinate) outstanding or the issuer of any Credit Facility (as defined in the Master Bond Resolution), if any, of such Bonds. Upon the occurrence of an Event of Default under the Bond Resolution, the owner of this Bond shall be entitled to the remedies provided by the Resolution and the Revenue Bond Law.

It is hereby certified, recited, and declared that all acts, conditions, and things required to exist, happen, and be performed precedent to and in the issuance of this Bond do exist, have happened, and have been performed in due time, form, and manner as required by law.

This Bond shall not be entitled to any security or benefit under the Resolution or become valid or obligatory for any purpose until the certificate of authentication hereon shall have been duly executed by the Bond Registrar.

IN WITNESS WHEREOF, the County has caused this Bond to be executed by the manual signature of its Chief Executive Officer and has caused the official seal of the County to be impressed on this Bond and attested by the manual signature of its Clerk.

A single certificate will be issued and delivered to DTC for each maturity of the Series 2025 Bonds. The actual purchasers of the Series 2025 Bonds (the “Beneficial Owners”) will not receive physical delivery of Series 2025 Bond certificates except as provided herein. Beneficial Owners are expected to receive a written confirmation of their purchase providing details of each Series 2025 Bond acquired. For so long as DTC shall continue to serve as securities depository for the Series 2025 Bonds as provided herein, all transfers of beneficial ownership interests will be made by book-entry only, and no investor or other party purchasing, selling, or otherwise transferring beneficial ownership of Series 2025 Bonds is to receive, hold, or deliver any Series 2025 Bond certificate.

For every transfer and exchange of the Series 2025 Bonds, the Beneficial Owner may be charged a sum sufficient to cover such Beneficial Owner’s allocable share of any tax, fee, or other governmental charge that may be imposed in relation thereto.

The County and the Bond Registrar will recognize DTC or its nominee as the Bondholder for all purposes, including notices and voting.

The County and the Bond Registrar covenant and agree, so long as DTC shall continue to serve as securities depository for the Series 2025 Bonds, to meet the requirements of DTC with respect to required notices and other provisions of the Letter of Representations.

The Bond Registrar is authorized to rely conclusively upon a certificate furnished by DTC and corresponding certificates from DTC participants and indirect participants as to the identity of, and the respective principal amount of Series 2025 Bonds beneficially owned by, the Beneficial Owner or Beneficial Owners.

If at any time DTC ceases to hold the Series 2025 Bonds, a Supplemental Resolution amending the relevant provisions of the Bond Resolution shall be adopted and thereafter all references in the Bond Resolution to DTC in connection with the Series 2025 Bonds shall be of no further force or effect.
