Public Comments: June 20, 2023- Unread Emails

1. Dr. Ed Williams (no address) - Good Morning Commissioners, My name is Ed Williams. I am chair of the group Concerned Citizens for Effective Government. I am a taxpayer and resident of DeKalb County. The General Assembly has provided for a salary increase beginning July 1, 2023, for the commission to \$71,000 a year. Perhaps, maybe you should consider respecting the rights of citizens and taxpayers by following the law and your own rules and honoring your oaths, During the COVID-19 pandemic the DeKalb Board of Commission suspended its in-person meetings and instead had Zooming meetings The DeKalb Board of Commission started back having in-person meetings in October of 2022 consistent with the other local government's response to the reduction in COVID-19 cases in Georgia. The DeKalb County Charter authorized the commission "to adopt rules regulating the operation of the commission". The Procedural Standing Rules section I paragraph 8 of the BOC requires that the commission have several Committee of the Whole meetings at 5:30 pm in February, June, and October. There is nothing in the commission's minutes that provide evidence that the rules have been changed. Why weren't there any COW evening meetings in February and none scheduled for June? Because the commission has already had one regular COW meeting at 9 am on June 6, then the June 20th meeting should be scheduled at 5:30 pm instead of 10 am. It would be preferable to have the meeting at the Porter Sanford Performing Arts & Community Center, Lou Walker Senior Center or the Maloof Auditorium. Why was a COW meeting scheduled at Mercer on June 20th at 10am instead of following the rules and having an evening meeting? Why was

the meeting location and time set without a vote of the commission? Our leaders including the presiding officer Mr. Robert Patrick should make sure that the rules of the commission are followed. Citizens should have an opportunity to attend the Commission Committee of the Whole meetings and the public has the right to expect elected officials to follow the law and the rules established by the commission. On another matter, the Cop City land is owned by the City of Atlanta, however, it is not located in the jurisdiction of the City of Atlanta. It is located in unincorporated DeKalb County. The City of Atlanta is not authorized to collect impact fees outside its jurisdiction. What Intergovernmental Agreements has DeKalb County entered into with the City of Atlanta regarding the development? The Powers of all public officers are defined by law and all persons must take notice thereof. The public may not be estopped by the acts of any officer done in the exercise of an unconferrred power. O.C.G.A § 45-6-5. Thank You

2. Courtney Thompkins, 1806 Freemont Street McKeesport, PA 15132- Hello: I am submitting a public comment for the meeting's today. I will be speaking about concerns for pedestrian safety in your county. In 2020, motor vehicle crashes (MVCs) were the second leading cause of injury deaths and second leading cause of hospitalizations and ER visits in Georgia (Georgia Department of Public Health). A majority of these deaths have been young Black women. This needs to be addressed. Stop signs need to be added, crossing signs, access for crosswalks and a road safety assessment. Thank You

3. Fawn Montgomery, 3509 Mayfair Street McKeesport PA 15132- Hello, I am submitting public comment for the meeting today regarding a road safety assessment and concerns around police investigations after traffic accidents. Thank You
