When the buzzer sounds to indicate that time has run out, the speaker will be expected to immediately cease speaking and to yield the podium. Those who submitted speaker cards but did not speak because of the time allotment will be allowed to speak first at the next regularly scheduled Commission meeting without regard to residence. Speakers should always talk directly into the microphone and begin by stating their name, full address and the name of any organization they represent. Application of Tycore Auto Services for a Special Land Use Permit (SLUP) to allow major auto repair within Tier 1 of the Greater Hidden Hills Overlay District and the C-2 (General Commercial) District, at 5361 Covington Highway.

MOTION was made by Mereda Davis Johnson, seconded by Lorraine Cochran-Johnson, that this agenda item be denied on the grounds that it does not satisfy the criteria of Code Section 27-7.4.6 of the Code of DeKalb County, Georgia. Specifically, it does not comply with subsection (S), which requires that the proposed use be consistent with the needs of the neighborhood or the community as a whole, and not conflict with the overall objective of the comprehensive plan. The subject property is located in the Neighborhood Center character area of the Comprehensive Plan, and the proposed major auto repair does not constitute a neighborhood commercial use as contemplated by the policy objective of the Neighborhood Center of the Comp Plan. The existing and planned aesthetic improvements to the building and land do not change the fact that the proposed use contradicts the Comp Plan's policy objective for the area. Additionally, as indicated in the ESRI data which has been tendered to the clerk for inclusion in the record, there is a significant surplus of automobile repair-related business establishments in the immediate vicinity of the subject property, while there is a deficient amount of other needed business types. As such, adding an additional auto repair establishment to a location where another business type could better serve the neighborhood would not be consistent with the needs of the community. The motion carried by the following vote:

Yes: 7 - Commissioner Jester, Commissioner Rader, Commissioner Johnson, Commissioner Bradshaw, Commissioner Davis Johnson, Commissioner Gannon, and Commissioner Cochran-Johnson

Good afternoon everyone. Happy New Year! I hope that everyone had a safe and happy holiday season. It is good to be back for another year in the saddle.

At this point I will not review all of the events that we attended over the holiday season. However, I would like to highlight that on January 6th I was honored to speak at the Wynbrooke Home Owner's Association meeting. Wynbrooke is one of the great communities in District 4. And it is always good for me to engage in open dialogue with my constituents. I want to thank HOA President Catherine Howard for the invitation. I look forward to returning in the future.

I would like to congratulate Commissioner Jeff Rader for being elected to

another year as Presiding Officer. I look forward to your continued leadership. And I would like to thank all of my fellow board members for supporting me for another year as Deputy Presiding Officer of this great body. I will continue to work hard to prove myself worthy of the confidence that you have placed in me.

I would also like to congratulate my colleagues Commissioner Jeff Rader and Commissioner Larry Johnson on their respective re-elections to their commission seats. I was honored to attend both of your swearing in ceremonies. I look forward to continuing to serve with both of you.

And of course I would like to formally welcome Commissioner Lorraine Cochran Johnson to this Board of Commissioners. It was a pleasure to attend your swearing in ceremony as well. I look forward to working with you.

I would like to begin this year as I ended last year by thanking the citizens of District 4 for trusting me with this responsibility. It is indeed an honor to serve. Thank you Mr. Presiding Officer.

4. Commissioner Mereda Davis Johnson read the following comments:

Thank you, Mr. Presiding Officer, and Good morning everyone again.

I would like to begin my comments by offering our sincerest condolences to the family of the late Rev. Cameron Alexander. Rev. Alexander always supported Hank and I throughout the years and we will miss him dearly. We attended the Memorial Service and the Funeral and the programs were so beautiful and full of celebration for a life well lived. Thank you Rev. Alexander for all you have done for us and for so many others.

Last week, Hank and I celebrated 39 years of marriage and it is just such a blessing. Hank is a great husband, father and my best friend. For the last 39 years, we have given each other unconditional love. I thank God for these 39 years for which we have surely enjoyed.

I would like to invite all of the residents of the 5th District to join us for a special edition Town Hall Meeting in partnership with the Probate Court of DeKalb County on next Thursday, January 17th. The meeting will take place at the Lou Walker Senior Center. The purpose of the meeting is to inform citizens of the functions of the Probate Court and to provide more about how the probate Court can help with Wills & Estates, Guardianships, Records and so much more.

I had a wonderful time with the Atlanta Branch of the NAACP for their annual Jubilee Day Celebration. Hank was the keynote speaker and it was a pleasure being with so many who were in attendance. The theme for this year was “United We Stand” and Hank served as the Keynote Speaker for this year’s program.

I would like to give a shout out to my Super District 7 Commissioner, Lorraine Cochran – Johnson for a job well done on her swearing in ceremony. I am looking forward to working with you to continue “Moving DeKalb Forward”.

Finally, I would like to thank our Fire Chief for his wonderful leadership. This morning, the Board of Commissioners voted on Item 2018-3016 to enter into an IGA with Rockdale County to help improve the response time as well as help address the concern of many residents who experienced an increase in their homeowners insurance. With this vote today, this will help to address the concern which many residents have brought to our attention. I just want the residents in the 5th to know that we hear you and that we will continue to make positive progress on the issues in an effort to improve the quality of life for all of the 5th District and all of DeKalb County.

For more information on any of the announcements, District 5 upcoming events, please feel free to visit my website at www.commissionermeredajohnson.com or you may call my office at 404-371- 2159.
