**STATEMENT OF ASSURANCES**

The grant recipient (Chief Elected Official) and Grant Administrator and/or fiscal agent (when such designation has occurred) hereby assures and certifies that it will comply with Public Law 113-128, Federal Workforce Innovation and Opportunity Act (WIOA) Regulations, and any amendments or additions to said Regulations, State and local law, the Regulations and Policies as issued by the Technical College System of Georgia's Office of Workforce Development (OWD), requirements contained in the applicable OMB Circulars, and applicable Uniform Administrative Requirements.

3. It will, upon the written request of the OWD, promptly refund to the OWD all funds representing disallowed costs. This repayment shall be made regardless of any claim of the subrecipient against any other person or entity.
4. It will retain all records pertinent to this Grant Award for a period of three years after the closeout package is accepted by OWD. Records for equipment shall be retained for a period for three years beginning on the last day of the Program Year in which final disposition of property occurred. If any litigation, claim, negotiation, audit, or other action involving the records has not been completed before the expiration of the three-year period, the records must be retained until completion of the action and resolution of all issues which arise from it.
5. The grant administrator acknowledges that the Georgia Open Records Act (O.C.G.A. 50-18-70 et seq.) provided at 50-18(a) that records received or maintained by a private person, firm, corporation, or other private entity in the performance of a service or function for or on behalf of an agency, or public office, shall be subject to the Georgia Open Records Act, and provides a criminal misdemeanor penalty for knowing and willful noncompliance with Open Records Act provisions. The grant administrator acknowledges that the Open Records Act also contains an exception to the general rule requiring that public records be made accessible to the public, which exception provides that the public records prohibited or specifically exempted from being open to inspection by the general public, by order of a court of this state or by law, shall not be open to inspection by the general public. The grant administrator agrees to comply with the Open Records Act and to protect private and confidential records that are exempted from being open to inspection by the general public.
6. The grant administrator certifies that it is in compliance with the Georgia's Service Delivery Strategy Law (O.C.G.A. 36-70-20 et seq.), which states that each county and its cities must agree upon the manner in which each local service is delivered, resolve interjurisdictional land use conflicts, and address tax equity and extraterritorial water and sewer rate equity issues.
7. The grant administrator assures that no funds received under the Workforce Innovation and Opportunity Act (WIOA) will be used to assist, promote, or deter union organizing.
8. The grant administrator certifies that it is in compliance with Public Law 104-91, August 21, 1996: Health Insurance Portability and Accountability Act of 1996.
9. Veteran's Priority Provision: This program is subject to the provisions of the "Jobs for Veteran's Act", Public Law 107-288, which provides priority of service to veterans and spouses of certain veterans for the receipt of employment, training, and placement services in any job training program directly funded, in whole or in part, by the U.S. Department of Labor. Please note that, to obtain service, a veteran must meet the program's eligibility requirements.
10. Salary & Bonus Limitation: In compliance with Public Law 109-234, none of the funds appropriated in Public Law 109-149 or prior Acts under the heading "Employment & Training", shall be used by a recipient or subrecipient of such funds to pay the salary and bonuses of an individual, either as direct costs or indirect costs, at a rate in excess of Executive Level II, except as provided for under Section 101 of Public Law 109-149.
11. Prior Approval for WIOA General Purpose Equipment Acquisitions: Per 2 CFR 200.439 (b)(2), Local Workforce Development Board (LWDB) staff, as well as Grant Administrators and/or Fiscal Agents, must request, and receive written approval from the OWD prior to acquisition of Workforce Innovation and Opportunity Act (WIOA) General Purpose Equipment with a unit cost of \$5,000 or more. Failure to obtain written prior approval for purchases may result in questioned and/or disallowed costs.

Acorn Prohibition: Section 511 of the Consolidated Appropriations Act, 2010 (P.L. 111-117, Division E) (“CAA”), requires that no direct or indirect funding from the Consolidated Appropriations Act may be provided to the Association of Community Organizations for Reform Now (“ACORN”) or any of its subsidiaries through Federal grantees or contractors. DOL is required to take steps so that no Federal funds from the Consolidated Appropriations Act, 2010, are awarded or obligated by DOL grantees or contractors to ACORN or its subsidiaries as subgrantees, subcontractors, or other subrecipients. This prohibition applies not only to a direct recipient of Federal funds, but also to a subrecipient (e.g., a subcontractor, subgrantee, or contractor of a grantee).
13. Intellectual Property Rights: The Federal Government reserves a paid-up, nonexclusive and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use for federal purposes: i) the copyright in all products developed under the grant, including a subgrant or contract under the grant or subgrant; and ii) any rights of copyright to which the grantee, subgrantee or a contractor purchases ownership under an award (including but not limited to curricula, training models, technical assistance products, and any related materials). Such uses include, but are not limited to, the right to modify and distribute such products worldwide by any means, electronically or otherwise. Federal funds may not be used to pay any royalty or licensing fee associated with such copyrighted material, although they may be used to pay costs for obtaining a copy which is limited to the developer/seller costs of copying and shipping. To ensure compliance with Title VI, recipients must take reasonable steps to ensure that LEP persons have meaningful access to programs in accordance with DOL’s Policy Guidance on the Prohibition of National Origin Discrimination as it affects persons with limited English proficiency [05/29/2003] Volume 68, Number 103, Page 32289-32305. Meaningful access may entail providing language assistance services, including oral and written translation, where necessary. Recipients are encouraged to consider the need for language services for LEP persons served or encountered both in developing budgets and in conducting programs and activities. For assistance and information regarding your LEP obligations, go to <http://www.lep.gov>.

Recipients and subrecipients are also encouraged to conduct initiatives of the type described in section 3(a) of this order.

15. Flood Insurance: The Flood Disaster Protection Act of 1973, as amended, 42 U.S.C. 4001 *et seq.*, provides that no Federal financial assistance to acquire, modernize, or construct property may be provided in identified flood-prone communities in the United States, unless the community participates in the National Flood Insurance Program and flood insurance is purchased within 1 year of the identification. The flood insurance purchase requirement applies to both public and private applicants for DOL support. Lists of flood-prone areas that are eligible for flood insurance are published in the Federal Register by FEMA.

Architectural Barriers: The Architectural Barriers Act of 1968, 42 U.S.C. 4151 *et seq.*, as amended, the Federal Property Management Regulations (see 41 CFR 102-76), and the Uniform Federal Accessibility Standards issued by GSA (see 36 CFR 1191, Appendixes C and D) set forth requirements to make facilities accessible to, and usable by, the physically handicapped and include minimum design standards. All new facilities designed or constructed with grant support must comply with these requirements.
17. Drug-Free Workplace: The Drug-Free Workplace Act of 1988, 41 U.S.C. 702 *et seq.*, and 2 CFR 182 require that all organizations receiving grants from any Federal agency maintain a drug-free workplace. The recipient must notify the awarding office if an employee of the recipient is convicted of violating a criminal drug statute. Failure to comply with these requirements may be cause for suspension or debarment.
18. Hotel-Motel fire safety: Pursuant to 15 U.S.C. 2225a, the recipient must ensure that all space for conferences, meetings, conventions or training seminars funded in whole or in part with federal funds complies with the protection and control guidelines of the Hotel and Motel Fire Safety Act (P.L. 101-391, as amended). 19. Buy American Notice Requirement: In the case of any equipment or product that may be authorized to be purchased with financial assistance provided using funds available under the Workforce Innovation and Opportunity Act, it is the sense of the Congress that entities receiving the assistance should, in expending the assistance, purchase only American-made equipment and products, as required by the Buy American Act (41 U.S.C. 10a *et seq.*). See WIOA Section 502—Buy-American Requirements.

**3. Background.** The FFATA requires full disclosure to the public of Federal spending information by all entities and organizations receiving Federal funding under Federal grant awards. The intent of the Act is to: 1) have Federal spending information available to the public; 2) make the information easily accessible; and 3) reduce wasteful spending by the Federal government. As required by FFATA and subsequent OMB guidance, recipients of Federal awards are required to report sub-award and executive compensation information for certain entities and organizations. The legislation also requires information about Federal awards to be made available to the public via a single searchable website. USASpending.gov has been designated as the website to be used to display data about grants, loans, cooperative agreements and other forms of Federal financial assistance.

The FFATA Sub-award Reporting System (FSRS) is the reporting system used by the Federal prime awardees to electronically report first tier sub-award information and executive compensation. The FSRS started accepting sub-award and executive compensation data on October 29, 2010. The sub-award information entered into FSRS by the prime awardee will be accessible on [www.USASpending.gov](http://www.USASpending.gov).

#### **4. Requirements.**

##### **A. Federal Grant Awardees Subject to the Sub-award and Executive Compensation Reporting Requirements**

Under the April, 6, 2010, ***OMB Memorandum, entitled: Open Government Directive – Federal Spending Transparency***, all direct recipients (prime recipients) of Federal grants and cooperative agreements with an award date on or after October 1, 2010, fall under FFATA reporting requirements. Prime recipients of Federal grants and cooperative agreements will be required to report sub-award information and executive compensation information, including the total compensation and names of the top five executives of the prime recipient and of the first tier sub-recipients in the FSRS database.

The FFATA reporting requirements apply to grants and cooperative agreements that are equal to or over \$25,000. If the initial award is below \$25,000 but subsequent grant modifications result in a total award equal to or over \$25,000, the award will be subject to the reporting requirements as of the date the award equals or exceeds \$25,000. If the initial award equals or exceeds \$25,000 but funding is subsequently de-obligated such that the total award amount falls below \$25,000, the award continues to be subject to the reporting requirements.

**For ETA, this means new Federal grants and cooperative agreements awarded on or after October 1, 2010, where the funding is equal to or over \$25,000 are subject to the sub-award and executive compensation reporting requirements.**

##### **B. When Are Prime Grant Awardees to Report Sub-award and Executive Compensation Information?**

- To meet the FFATA reporting requirement, the prime recipient must report information related to a sub-award by the end of the month following the month the sub-award is obligated. Below are two examples:
  - For a grant awarded on October 2, 2010, the prime recipient has until November 30, 2010, to report the sub-award and executive compensation information.
  - For a grant awarded on October 31, 2010, the prime recipient has until November 30, 2010, to report the sub-award and executive compensation information.

### **C. Systems Registrations Required by the FFATA**

All grantees subject to the reporting requirements must register with the following systems:

- FSRS
- Unique Entity ID System Award Management (SAM)
- Central Contractor Registration System (CCR)

Instructions on registration with SAM and CCR were provided in TEGL 29-08. Instructions for registering with FSRS are available on <https://www.fsrs.gov/>.

### **D. Federal Awards That Are Not Subject To the FFATA Reporting Requirements**

- Under the August 27, 2010, OMB Memorandum, entitled: *Open Government Directive – Federal Spending Transparency and Sub-award and Compensation Data Reporting*, new or existing grants that are funded by the American Recovery and Reinvestment Act are not subject to FFATA reporting requirements. These awards and related sub-awards will continue to be reported through FederalReporting.gov.
- The following types of awards also are not subject to FFATA and are not normally used by ETA, but the information is included to provide complete OMB requirements:
  - Transfers of title between Federal agencies of Federally owned property;
  - Federal inter-agency transfers of award funds;
  - Cooperative Research and Development Agreements (CRDA)
  - Federal awards to individuals who apply for or receive Federal awards as natural persons (i.e., unrelated to any business or non-profit organization he or she may own or operate in his or her name);
  - Federal awards to entities that had a gross income, from all sources, of less than \$300,000 in the entities' previous tax year; and
  - Federal awards, if the required reporting would disclose classified information.

### **E. Webinar – Sub-award and Executive Compensation Reporting**

A webinar is scheduled for November 16, 2010, from 1:00 pm - 2:00 pm to provide an overview of the new OMB reporting requirements and the FSRS reporting system. Registration details are available at <https://www.workforce3one.org>.
