MEMORANDUM

TO: Michelle Butler, Interim Director
Purchasing and Contracting

FROM: Chuck O. Ellis, Director
Recreation, Parks and Cultural Affairs

DATE: April 18th, 2023

RE: Oak Creek Park Playground
Hasley Recreation, Inc
Sourcewell Contract 010521-LTS

Background: The Department of Recreation, Parks and Cultural Affairs is currently replacing the playground at Oak Creek Park as a part of SPLOST. The playground renovation will include the removal of the existing playground equipment and the installation of new playground equipment and a synthetic turf surface.

Explanation: The current playground at Oak Creek Park features two mulched areas with a concrete walk path which is in the rear of the park. The proposed playground at Oak Creek Park relocates the playground towards the entrance of the park and also provides a much-needed upgrade for the community. The design and additional site amenities will attract more park users from the surrounding community.

Recommendation: The Department of Recreation, Parks and Cultural Affairs recommends approval to utilize Hasley Recreation to purchase and install the playground for a total of \$208,377.42 which includes a savings of \$30,255.58 by utilizing the cooperative agreement method through Sourcewell Contract 010521-LTS.
