**Special Instructions**

**Special Instructions Delivery:**

Delivery will be made to one location unless acknowledged otherwise. Customer to off load at time of delivery. Containers will be delivered on a flatbed tractor trailer. Customer will need to provide equipment and operator to offload containers from trailer.

PLEASE NOTE CONTAINERS WILL BE SHIPPED NESTED/STACKED TO SAVE ON FREIGHT CHARGES.

- Roll Off Containers: Containers will be nested meaning one container will be flipped on its side inside another container. Doors will be removed and shipped loose. Upon delivery and offloading, customer will need to rehang doors. Touch up paint will be provided by request.
- Front Load/Rear Load/Side Load Containers: Containers will be nested meaning one container will be stacked on top of another container. Stacks may consist of 2 or more containers, depending upon size and quantity ordered. Upon delivery and offloading customer will need to install container lids. Touch up paint will be provided upon request.

**Additional Information**

**Additional Terms** Our Quote serves as an offer to provide Products and/or services at the quantities and prices shown and is a good faith estimate, based on our understanding of your needs. By signing below, you indicate your acceptance of our offer which is expressly subject to the Wastequip Terms & Conditions of Sale ("Wastequip's Terms") located at: <https://www.wastequip.com/terms-conditions-sale>, as of the date set forth in Section 1(b) of the WQ T&C, which are made a part of this Quote. Wastequip's Terms may be updated from time to time and are available by hard copy upon request. Any changes or deviations to the terms of this Quote, including any different terms in an Order submitted by you, must be agreed upon in writing by both parties.

**Additional Information** Pricing is based on your acceptance prior to the expiration of this Quote, including product specifications, quantities, and timing. Any differences to your Order may result in different pricing, freight or other costs. Due to volatility in petrochemical, steel and related Product material markets, actual prices and freight, are subject to change. We reserve the right, by providing notice to you at any time before beginning Product manufacturing, to increase the price of the Product(s) to reflect any increase in the cost to us which is due to any factor beyond our control (such as, without limitation, any increase in the costs of labor, materials, or other costs of manufacture or supply). Unless otherwise stated, materials and container sizes indicated on sales literature, invoices, price lists, quotations and delivery tickets are nominal sizes and representations – actual volume, Products and materials are subject to manufacturing and commercial variation

## TIME IS MONEY.

\*\*\*\*\*

Sourcewell goes through the competitive bidding process so you don't have to, allowing your business to complete your bidding requirements much faster and without the hassle.

## WHAT IS SOURCEWELL?

\*\*\*\*\*

Sourcewell is a public agency that offers competitively solicited purchasing contracts for products and equipment to member agencies so those members do not have to duplicate the solicitation process—it's already been done on their behalf! By leveraging competitively solicited and awarded contracts, your team has more time to handle other important tasks. Sourcewell awarded vendors like Wastequip can provide aggressive, competitive pricing.

## WHO QUALIFIES FOR SOURCEWELL?

\*\*\*\*\*

-  State and local government entities cities, counties, water districts and tribes of Native American decent.
-  Public and private education K-12, special education, charter schools, and higher education like colleges and universities.
-  Non-profit/tax exempt organizations hospitals, nursing homes, rural power cooperatives, housing authorities, member authorities, member associations, and co-ops.

## WHY SOURCEWELL?

Sourcwell serves as a municipal contracting agency, competitively awarding cooperative contract solutions on the national level. They evaluate vendors on more than just price—they also consider quality and credibility. Sourcwell vendor contracts include over 175 industry-leading brands in areas such as facilities, maintenance and repair, technology, heavy equipment, utility equipment, transportation, and other applicable areas. With free membership, access to suppliers of the most trusted brands, and competitive pricing, the Sourcwell contract is the best option for your business.

-  Free membership with absolutely no obligation.
-  Ability to select nationally acclaimed companies under Sourcwell contracts.
-  Receive products, equipment and services...all under contract!
-  Access to suppliers of the most trusted brands for all your purchasing needs.
-  Satisfy your bidding requirements must faster without the hassle or risk.
-  Members can legally purchase through these awarded contracts.
-  Sourcwell awarded vendors like Wastequip can provide aggressive, competitive pricing.

## HOW DOES SOURCEWELL WORK?

By law, Sourcwell has the legislative authority to establish contracts for government and education agencies on a national level. Sourcwell facilitates the competitive bidding process on behalf of their members' needs, and mirrors their contracting process. As a public agency, Sourcwell is its own lead agency to facilitate and hold contracts on behalf of its members. Members receive the added benefit of Sourcwell maintaining all procurement, documentation and storing it, essentially creating a safe and secure paper trail.

## CANOE PROCUREMENT GROUP

In a trusted partnership with Sourcwell—the already established Canoe Procurement Group of Canada is a robust not-for-profit organization built by and for the Public Sector—recognizes that canoes were historically significant in early Canadian explorations and trade, facilitating partnerships, trading and resilience throughout Canada. Canoe Procurement Group continuously seeks to expand cooperative purchasing in Canada, making procurement easier and more effective for its Canadian members, and affording its members to also purchase from Sourcwell suppliers. Wastequip's Sourcwell Contract is offered in Canada through this partnership with Canoe.

## WASTEQUIP AND SOURCEWELL

Sourcwell has awarded Wastequip as a vendor for a full line of waste handling equipment for collecting, processing, and transporting recyclables, solid waste, liquid waste, and organics. Through this contract, you can satisfy your bidding requirements for waste equipment with confidence, knowing that Sourcwell has already done the hard work for you. With a strong history of manufacturing expertise, product innovation, and industry-leading brands like Galbreath, Amrep, CONFAB, Mountain Tarp, Pioneer, Wastebuilt, Wastequip WRX and ConatinerPros, Wastequip offers a full line of products, systems, services and solutions to collect and transport just about any type of waste or recyclable.

## MORE THAN JUST CONTAINERS

Wastequip's family of brands provides an unmatched product offering in the market. Wastequip is your **All-in-One** solution, covering you from start to finish in the waste collection process while handling any need or challenge along the way. Once waste has been collected, Wastequip's subsidiary brands like Pioneer and Mountain Tarp protect your hauls and get them to their designation securely. If your equipment breaks down or loses a component, rely on brands like Wastebuilt and Wastequip WRX for parts, installs, or general service.
