Testimonial

“ *The training is quality. It's a much more efficient way of delivering the training to our personnel. It allows us to implement (training) in a more timely fashion where we can deliver it to all our members virtually at the same time.* **”**

Chief Dave Downey
Miami-Dade Fire Rescue Department (Fla.)

TargetSolutions Overview

TargetSolutions, a Vector Solutions brand, provides engaging, accredited online training courses, cutting-edge software applications, and dynamic performance management solutions to help make organizations safer, more capable, and more compliant. They deliver award-winning, real-time training and record-keeping solutions. Originally founded in 1999, today more than 4,000 organizations rely on TargetSolutions to track training hours and compliance tasks.
