Right-of-Way (ROW) Mowing Services

**Emergency** (For Emergency Requests, Please check this box and answer all questions below.)

1. Date and Time of Emergency Occurrence: 3/20/26

2. Please state the nature of the emergency posing a risk to public health, welfare, safety or resources:

The initiation of mowing and maintenance of county right-of-way properties is essential to control excessive growth of grass and weeds and to ensure clear and accessible pathways. Overgrown vegetation can conceal dangerous objects or animals, creating potential risks to public safety.

1. Provide an explanation why the product, service or supplier requested is the only method that can satisfy the requirements. Please explain why alternatives are unacceptable. Be specific with regard to specification, features, characteristics, requirements, capabilities and compatibility. (Attach additional documents, if necessary):

2. Will this purchase obligate us to a particular vendor for future purchases? (Either in terms of maintenance that only this vendor will be able to perform and/or if we purchase this item, will we need more "like" items in the future to match this one?) Explain in detail.

3. Explain the impact to the County or Public if this request is not approved.

I hereby request that this non-competitive procurement request be approved for the purchase of the above stated work, material, equipment, commodity, or service.
