Assistant Chief Catlin:

On behalf of the Jim Ellis Automotive Group and President Jimmy Ellis, our organization would like to make a donation of \$6,500 to the DeKalb County Police Department. We would like this donation to go to the Criminal Investigations Division to be used for items such as equipment, supplies, meals, or any other needs the department might have.

We appreciate all that the department does for our community and look forward to helping support your great work through this donation.
