Teresa/Angel

DWR is ok with Dekalb reaching out to Cintas and asking if they will offer them the same bid schedule and pricing that is supplied to Gwinnett County. All usage and invoicing will be between Dekalb and Cintas Corp.

Teresa,

I left Ms. Frazier a voicemail last week to call me to discuss her request. I haven't heard back from her yet, but if she calls you back please let me know.

Thanks

Good Morning,

Angel Frazier with the Dekalb County purchasing team is requesting the Watershed Department of Dekalb County piggyback off of PA20-20. Will DWR allow Dekalb County Watershed Department to piggyback?

Contact information for Angel Frazier is 404-371-0814. She may be contacting you shortly to discuss further.

Thank you
