

Mason Mill Park- Master Plan (2009)

PROJECT SUMMARY (DISTRICTS 2&6)

Project consists of creating a Master Plan for the park (+/- 118 Acre) to include overall improvements and connectivity to Ira B. Melton Neighborhood Park, Water Works Cultural Area, Dog Park/Trail Head Area, Burnt Fork Nature Preserve, South Fork Nature Preserve & Jamestown Neighborhood Park.

PROJECT TEAM

MACTEC (Landscape Architect)

PROJECT ESTIMATE

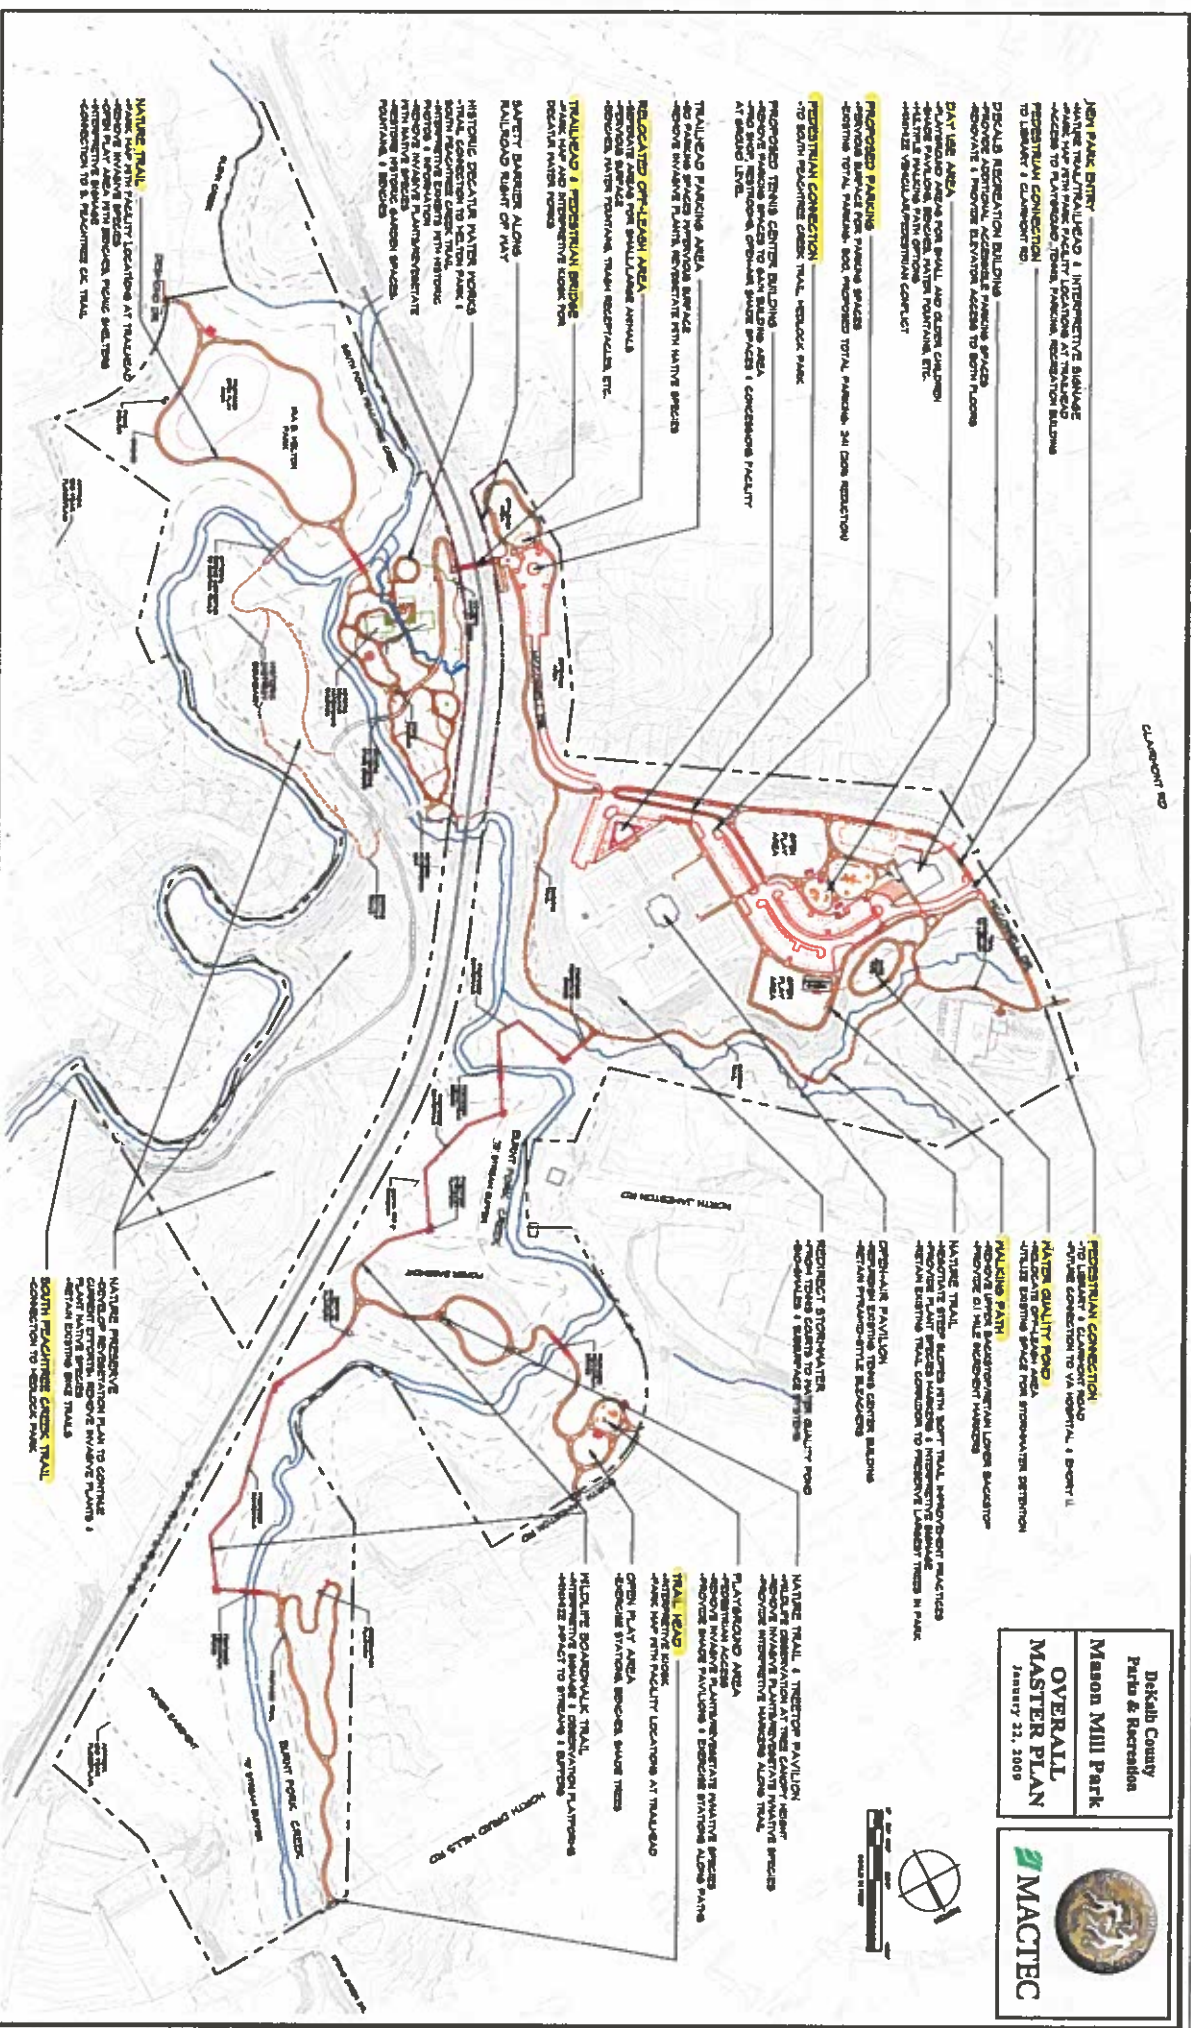

\$6.9 Million (2009)

PUBLIC INPUT MEETINGS

- The First Public Meeting was held September 25, 2008
Discussion points on major items included: Tennis Center, Dog Park, Walking Trails-Connectivity, Waterworks, Natural Areas, Off Road Bicycling & Playground.
- The Second Public Meeting was held October 30, 2008
MACTEC staff presented 4 exhibits: a District Exhibit, and Overall Master Plan and two alternative concepts for the Day Use Area District.
- The final Public Meeting was held January 22, 2009
Meeting was conducted as a final presentation to all stakeholders. Overall Master Plan was illustrated based on input from previous public meetings and Parks and Recreation Staff.

TIMELINE

Improvements made to park: New Entrance, Day Use Area (playground, Community Garden, Open Play Area, Restroom & Parking), Dog Park, Pavilions, Path Trail connectivity from Medlock Park to North Druid Hill Road, Soft Trails connection to Ira B. Melton & Jamestown Park.
