Ring wants to help reduce crime and increase safety in DeKalb County, Georgia.

Ring is excited to propose a solution to the County and Police Department to help reduce crime in DeKalb County.

Program Description:

This program will provide DeKalb County Police Department (the “Police Department”) access to the Ring Neighborhoods platform to communicate with Ring Neighbors and encourage community engagement as we work together to make DeKalb County neighborhoods safer (the “Program”), and:

- The Ring Neighborhoods platform is a digital neighborhood watch that both law enforcement and the public can access free of charge by downloading the Ring mobile app (iOS and Android).
- The app allows Ring Neighbors to share and comment on real time crime and safety events in their neighborhood.
- As part of the program, the Police Department may:
 - Utilize the critical crime and safety events that are posted in the app by neighbors to assist in law enforcement operations and investigations; and
 - Post information relating to critical incidents and other incidents in the app to keep neighbors informed regarding issues in their neighborhoods.
- In addition, the Police Department and Ring may work together to offer subsidized Ring cameras to select parts of the County.

Responsibilities:

Ring:

- Make the Ring App available to County residents free of charge.
- Donate Ring cameras to the Police Department or area of the County based on the number of qualifying downloads of the app that result from the program. Each qualifying download will count as \$10 towards these free Ring cameras. Ring will seed the program with an initial donation of seventy (70) Ring cameras.
- Make the Ring Neighborhoods Police Portal available to the Police Department, free of charge, including support and training for Police Department and County employees.
- Work with the Police Department to obtain data/call logs and publish the relevant incidents in the app based on terms agreed to with the Police Department.
- As appropriate, subsidize the purchase of Ring cameras by County residents as part of a formal

subsidy program.

DeKalb County:

- Engage the County community with outreach efforts on the platform to encourage adoption of the platform/app.
- Choose how the donated Ring cameras should be distributed. There are two options.
 - Cameras will be donated directly to the County, through the Police Department. The Police Department will in turn distribute these cameras to the community as part of its outreach programs; or
 - Ring will directly distribute these cameras to the local community, with input from the Police Department.
- Maintain appropriate access controls for Police Department personnel to use the Ring Neighborhood Police portal.
- Make data related to the Police Department incidents/call logs available to Ring on a mutually agreed upon basis.
- Have the option, but not obligation, to participate in a subsidized camera program.

Term.

DeKalb County Police Department's participation in the program shall commence upon the County's acceptance of these program terms. Either party may terminate participation in the program at any time upon providing written notice to the other party. The Ring Neighborhoods Portal will be available to DeKalb County Police Department on or before _____. The initial term of this agreement shall be for twelve (12) calendar months, with the option to renew 2 additional terms (12 calendar months each).

Privacy and Terms of Use.

Ring will not provide any customer personal information, including video footage, to the County or Police Department without the prior consent of the owner or a properly issued subpoena or search warrant, as applicable. The County agrees not to use the Ring Neighborhoods Police Portal other than as expressly authorized by Ring and other than in connection with bona fide County Police Department work. Ring's terms of service and privacy notice, as posted on Ring.com, shall apply to all uses of the Ring app and Neighborhoods Police Portal.

Press Release.

The parties shall agree to issue a joint press release to be mutually agreed upon by the parties.

Compensation.

At no point shall either party receive compensation from each other as a result of this program.

Confidentiality

Unless otherwise required by law, Police Department shall keep the terms of this program confidential.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement by their authorized agent on the date below but effective as of the date set forth above.
