Subject: Police Nomenclature Request

Sir,

I have received a request from Detective Andre Hardaway in reference to obtaining permission to use DeKalb Police symbols on a nationally televised program. This request is being made pursuant to OCGA 35-10-6, Chapter 10 Municipal and County Police Departments' Nomenclature. The law allows for the use of department symbols as long as the user has received permission from the governing authority. A copy of the law is attached is for your convenience.

Detective Hardaway appeared on the game show, The Wall. The Wall is an American television game show broadcast by NBC. The show is hosted by Chris Hardwick, who also serves as executive producer on the show along with LeBron James, Maverick Carter, and Andrew Glassman.

Detective Hardaway and his wife were contestants and the show's producers came to DeKalb to produce a package showing the Hardaway's in their day-to-day lives.

He is seeking permission to show the DeKalb County PD image on the program.

I am recommending approval under the conditions that were requested by the applicant, Andre Hardaway.

Respectfully,

Chief James W. Conroy
