

## RECOMMENDATION AND COMMENTS

NAME OF PROJECT:	Animal Crematory – PO No. 1283762 \$137,221.00
PURCHASING AGENT:	L. Deneen Walters
USER DEPARTMENT:	Public Works - Sanitation
NOTES:	<ol style="list-style-type: none"><li>1) This unit is used to cremate animals.</li><li>2) This unit is a replacement for the existing incinerator that has reached end of life.</li><li>3) The continued use of this unit poses a safety risk to the users and negatively impacts the environment.</li></ol>
RECOMMENDATION:	The recommendation is to approve the purchase of the unit as the current incinerator has reached its end of life and is not functioning efficiently. The delay in purchasing a new incinerator could pose a risk to DeKalb's County communities' public health, welfare, and safety.
