Dear Commissioner Terry:

At the February 4, 2025, City of Clarkston Council Meeting, the City Council approved the recommendation to accept a \$30,000.00 appropriation from DeKalb County Super District 6 Commissioner Ted Terry. This allocation is for the installation of the Beautification/Landscaping at Church Street and I-285 Interchange on-ramp and contributes to the installation of new plants at the Church Street off-ramp.

The City Council further approved that the City of Clarkston would maintain this area.

This is a portion of a long-term City of Clarkston beautification project that will be updated in the future.

If you have any questions, please do not hesitate to contact me at bburks@cityofclarkston.com or via phone at 770-331-3285.

Sincerely,

Beverly H. Burks
Mayor
