

**A RESOLUTION****A RESOLUTION BY THE GOVERNING AUTHORITY OF DEKALB COUNTY,  
GEORGIA, TO JOIN THE ONE MILLION TREES INITIATIVE, AND FOR OTHER  
PURPOSES**

**WHEREAS**, Trees Atlanta is a 501(c)(3) charitable organization and a top-rated 4-Star charity by Charity Navigator founded in 1985 whose mission is to protect and improve Atlanta's urban forest by planting, conserving, and educating; and

**WHEREAS**, Trees Atlanta also works to mitigate Atlanta's tree loss, protect its forests, and increase its tree canopy; and

**WHEREAS**, the Million Tree Initiative is a global initiative to increase urban forest canopy; and

**WHEREAS**, Trees Atlanta launched the One Million Trees Initiative at their 2020 Canopy Conference on Georgia Arbor Day with a goal to plant and conserve one million trees across metro Atlanta by 2030; and

**WHEREAS**, Trees Atlanta has, to date, partnered with ten metro Atlanta cities and nine other conservation nonprofits that work locally on environmental and sustainability issues on the One Million Trees Initiative, and DeKalb County would be the first county in metro Atlanta to join; and

**WHEREAS**, DeKalb County recognizes that healthy tree canopies afford the following benefits: air quality improvement, wildlife habitat, stormwater retention and control, aesthetics, natural windbreakers, inhibit soil erosion, increase property values, shading, heating & cooling cost savings, traffic calming, and mitigation of air pollution, climate change, and urban heat island; and

**WHEREAS**, DeKalb County passed a resolution in November 2021 to ensure there will be no net loss of trees on county-owned properties; and

**WHEREAS**, this partnership will advance Trees Atlanta's goal in the planting and conservation of one million trees across metro Atlanta by 2030; and

**WHEREAS**, DeKalb County recognizes that our shared, natural environment is part of the global biosphere, which does not acknowledge political and administrative boundaries; and

**WHEREAS**, DeKalb County recognizes our collective activities impart direct ramifications to our shared natural environment; and

**WHEREAS**, DeKalb County continues active commitment to social, economic, and environmental sustainability by working with Trees Atlanta through the ReLeaf DeKalb Tree Planting Program to ensure a greener, healthier, and more livable DeKalb County; and

**NOW, THEREFORE, BE IT RESOLVED**, by DeKalb County’s Governing Authority as follows:

DeKalb County commits to partnership in Trees Atlanta’s One Million Trees Initiative in support of their goal to plant and conserve one million trees across metro Atlanta by 2030. DeKalb County aspires to promote the benefits and necessity of healthy tree canopies through education, outreach, and engagement with its citizens and personnel. Concerted efforts shall be made to remain abreast of opportunities for preservation of existing tree canopies through land acquisition for parks and greenspaces. DeKalb County recognizes that participation in the One Million Trees Initiative requires documented progress and shall, to the best of its abilities, strive for continued participation to enhance the health, vitality, and livability of our communities.
