Justification:

Family Ties Enterprises, Inc. is the recommended awardee because they are the only responsible and responsive bidder that meets all requirements of the ITB. Family Ties is the only vendor capable of providing both TF-CBT and FFT, which are mandatory evidence-based treatment models specified in the solicitation. Their submission included complete pricing, required staffing, and all service components necessary for full program implementation.

The alternate bidder did not demonstrate the ability to deliver both required treatment models and therefore did not meet the clinical specifications of the ITB. For these reasons, Family Ties Enterprises, Inc. is the only vendor who can fully meet the County's programmatic and service requirements.
