Funding:
General ☒ Enterprise ☐ 3 Digit Fund Code 100

CIP Line-Item No. (if applicable): _____

SPLOST ☐

Justification:

We have received approval for the acquisition of ten (10) new vehicles and are requesting funding to allow Dana Safety Supply to outfit these units. Dana Safety Supply has been identified as the most cost-effective option and represents the most fiscally responsible choice for this purchase. Our department, along with other county departments, has consistently utilized Dana Safety Supply to equip vehicles with the necessary equipment and up fitting services. Based on their proven performance, competitive pricing, and established relationship with the county, we recommend continuing to use their services for these new units.

We would like to utilize the GSA Contract as the funding source for this purchase.
