

ITB No.:16-100788 Inductive Coupled Plasma Mass Spectrometer

User Department's Recommendation

Recommended Bidder: PerkinElmer, Inc. meets our approval.

Amount Spent Last Year: Not Applicable

Name of Fund: General Operations

Project Amount This Term: ~~\$119,243.90~~ \$119,132.70 *WMC*

Justification:

The Department of Watershed Management (DWM) concurs with the bid recommendation of the Department of Purchasing and Contracting. Based on the totals stated in the bid tabulation form PerkinElmer, Inc. is the lowest bidder and proved to be responsible and responsive when bidding the project. The company provided all the documentation necessary for the DWM representative to make an educated decision, that they are capable of fulfilling the contract requirements, as such, PerkinElmer, Inc. meet all the elements required for the contract.
