Subject: Formal Request for Withdrawal Without Prejudice - Case Z-26-1247922 - 6136 Shadow Rock Lane, Lithonia, GA 30058

To the DeKalb County Planning Department,

I am the applicant for the rezoning request at 6136 Shadow Rock Lane, Lithonia, GA 30058 (Z-26-1247922). As stated during the Planning Commission meeting on March 3, 2026, I am formally requesting a Withdrawal without Prejudice. I intend to re-evaluate the site plan and address the concerns raised in the Staff report.

Thank you,

Greg Scott

Zoning Comments March 2026

N1. Z-26-1247920 (2026-0138) 1437 & 1453 S. Indian Creek Drive:

South Indian Creek is classified as a “Collector” road. All interior streets are to be private, designed to local street standards. Verify there is enough parking provided interior to the site for residents and guests. South Indian Creek Road is classified as a collector road. Land Development permit is required. Please refer to the requirements in Zoning Code 5.4.3 and Land Development Code 14-190. Requires a right of way dedication of 35 feet from centerline OR such that all public infrastructure is within right of way, whichever greater. Requires a 10-foot landscape strip with a 6-foot sidewalk and 4-foot bike lane OR **(PREFERRED)** a 10-foot landscape strip with a 10-foot multi-use path. At least 5 feet of the landscape strip must lie between the back of curb and the multi-use path or sidewalk. Requires pedestrian scale streetlights. (hefowler@dekalbcountyga.gov). All intersections must meet AASHTO sight distance requirements based on speed limit. All poles and other obstructions must be relocated out of the multi-use path.

N2. Z-26-1247923 (2026-0139) 3003 Chamblee-Tucker Road; 2936 Mercer University Drive:

All interior streets must be private. Mercer University Drive is classified as a “Collector” road. Land Development permit is required. Please refer to the requirements in Zoning Code 5.4.3 and Land Development Code 14-190. Requires a right of way dedication of 35 feet from centerline OR such that all public infrastructure is within right of way, whichever greater. Requires a 10-foot landscape strip with a 6-foot sidewalk and 4-foot bike lane OR **(PREFERRED)** a 10-foot landscape strip with a 10-foot multi-use path. At least 5 feet of the landscape strip must lie between the back of curb and the multi-use path or sidewalk. Requires pedestrian scale streetlights. (hefowler@dekalbcountyga.gov). The requirements are for the entire frontage unless a variance is sought. All intersections must meet AASHTO sight distance requirements based on speed limits. All poles and other obstructions must be relocated out of the multi-use path. The access entrance requires reworking due to possible driver confusion and impact to Mercer University Drive. Eliminate the acceleration lane along Mercer University Drive. Chamblee-Tucker Road is classified as a “Minor Arterial” road. If a land development permit is required, please refer to the requirements in Zoning Code 5.4.3 and Land Development Code 14-190. Requires a right of way dedication of 40 feet from centerline OR such that all public infrastructure is within right of way, whichever greater. Requires a 10-foot landscape strip with a 6-foot sidewalk and 4-foot bike lane OR **(PREFERRED)** a 10-foot multi-use path. Requires pedestrian scale streetlights.

Rockbridge Road is classified as a “Minor Arterial” road. Please refer to the requirements in Zoning Code 5.4.3 and Land Development Code 14-190. Requires a right of way dedication of 40 feet from centerline OR such that all public infrastructure is within right of way, whichever greater. Requires a 10-foot landscape strip with a 6-foot sidewalk and 4-foot bike lane OR **(PREFERRED)** a 10-foot landscape strip with a 10-foot multi-use path. At least 5 feet of the landscape strip must lie between the back of curb and the multi-use path or sidewalk. Requires pedestrian scale streetlights. (hefowler@dekalbcountyga.gov). All intersections must meet AASHTO sight distance requirements based on speed limits. All poles and other obstructions (hydrant) must be relocated out of the multi-use path. Site engineer to determine if guardrail along the property is still required

N6. Z-26-1247933 (2026-0143) 2674, 2682 & 2690 Gresham Road:

All interior streets are to be private, designed to local street standards. Gresham Road is classified as a “Collector” road. Land Development permit is required. Please refer to the requirements in Zoning Code 5.4.3 and Land Development Code 14-190. Requires a right of way dedication of 35 feet from centerline OR such that all public infrastructure is within right of way, whichever greater. Requires a 10-foot landscape strip with a 6-foot sidewalk and 4-foot bike lane OR **(PREFERRED)** a 10-foot landscape strip with a 10-foot multi-use path. At least 5 feet of the landscape strip must lie between the back of curb and the multi-use path or sidewalk. Requires pedestrian scale streetlights. (hefowler@dekalbcountyga.gov). All intersections must meet AASHTO sight distance requirements based on speed limits. All poles and other obstructions must be relocated out of the multi-use path.

N7/N8. Z-26-1247935 (2026-0144); SLUP-26-1247934 (2026-0145) 2111 Poplar Falls Road:

The existing road infrastructure approaching this development is not sufficient to support the implementation of the development. Poplar Falls Road is classified as a “Local” road. Please refer to the requirements in Zoning Code 5.4.3 and Land Development Code 14-190. Requires a right of way dedication of 27.5 feet from centerline OR such that all public infrastructure is within right of way, whichever greater. Requires a 6-foot landscape strip and a 5-foot sidewalk. Requires pedestrian scale streetlights. (hefowler@dekalbcountyga.gov). All intersections must meet AASHTO sight distance requirements based on speed limits. All poles and other obstructions must be relocated out of the multi-use path.

N9. SLUP-26-1247921 (2026-0146) 1313 & 1303 Lithonia-Industrial Boulevard:

Lithonia-Industrial Boulevard is classified as a “Minor Arterial” road. Not enough information to properly review. Access points were set based on the Lithonia Industrial Blvd Road Plans. Applicant does not show interior routes on plans. Streetlights will be required on Lithonia-Industrial Boulevard.

N10. Z-26-1247922 (2026-0147) 6136 Shadow Rock Lane:

Shadow Rock Lane is classified as a “Local” road. The existing road infrastructure approaching this development is not sufficient to support the implementation of the development. The entire right of way width of the corridor is 20 feet wide with a +/- 8-foot road/driveway. Please refer to the requirements in Zoning Code 5.4.3 and Land Development Code 14-190. Requires a right of way dedication of 27.5 feet from centerline OR such that all public infrastructure is within right of way, whichever greater. Requires a 5-foot landscape strip with a 5-foot sidewalk. Requires pedestrian scale streetlights. (hefowler@dekalbcountyga.gov).

N11. SLUP-26-1247926 (2026-0148) 4031 Rainbow Drive:

Rainbow Drive is classified as a “Minor Arterial” road. Please refer to the requirements in Zoning Code 5.4.3 and Land Development Code 14-190. Requires a right of way dedication of 40 feet from centerline OR such that all public infrastructure is within right of way, whichever greater. Requires a 10-foot landscape strip with a 6-foot sidewalk and 4-foot bike lane OR **(PREFERRED)** a 10-foot landscape strip with a 10-foot multi-use path. At least 5 feet of the landscape strip must lie between the back of curb and the multi-use path or sidewalk. Requires pedestrian scale streetlights. (hefowler@dekalbcountyga.gov). All intersections must meet AASHTO sight distance requirements based on speed limits. All poles and other obstructions must be relocated out of the multi-use path.

N12. SLUP-26-1247930 (2026-0149) 1890 Week Kirk Road:

Week Kirk is classified as a “Local” road. No comments

N13/N14. LP-26-1247932 (2026-0150); Z-26-1247931 (2026-0151) 1680, 1690, & 1700 Henrico Road:

Henrico Road is classified as a “Collector” road. Please refer to the zoning and land development requirements of Tier 5 of the Bouldercrest Overlay District, Tier 4A within the Soapstone Historic district for development requirements. Concerned about the encroachment of residential into the industrial area and the conflict (truck traffic/noise) that may develop. The two properties on either side of this development are active industrial properties. While overlay infrastructure standards apply. Where silent the Zoning and Land Development Codes are enforced, in respective order. Site plan needs work. At a minimum, the requirements are as follows: Please refer to the requirements in Zoning Code 5.4.3 and Land Development Code 14-190. Prefer internal streets to be private. If public, the internal streets require a right of way dedication of 55 feet (total) OR such that all public infrastructure is within right of way, whichever greater. Requires 24 feet of pavement with curb and gutter. Requires 6-foot landscape strip with a 5-foot sidewalk. Requires streetlights. (hefowler@dekalbcountyga.gov). Internal roundabout must be one-lane, one direction. Please refer to the requirements in Zoning Code 5.4.3 and Land Development Code 14-190. Requires a right of way dedication of 35 feet from centerline OR such that all public infrastructure is within right of way, whichever greater. Requires a 10-foot landscape strip with a 6-foot sidewalk and 4-foot bike lane OR **(PREFERRED)** a 10-foot landscape strip with a 10-foot multi-use path. At least 5 feet of the landscape strip must lie between the back of curb and the multi-use path or sidewalk. All intersections must meet AASHTO sight distance requirements based on speed limits. Concerned about entrance location based on horizontal and vertical curves along the site. All poles and other obstructions must be relocated out of the multi-use path.

General Comments:

DeKalb County Health Regulations prohibit use of on-site sewage disposal systems for

- multiple dwellings
- food service establishments
- hotels and motels
- commercial laundries
- funeral homes
- schools
- nursing care facilities
- personal care homes with more than six (6) clients
- child or adult day care facilities with more than six (6) clients
- residential facilities containing food service establishments

If proposal will use on-site sewage disposal, please contact the Land Use Section (404) 508-7900.

Any proposal, which will alter wastewater flow to an on-site sewage disposal system, must be reviewed by this office prior to construction.

This office must approve any proposed food service operation or swimming pool prior to starting construction.

Public health recommends the inclusion of sidewalks to continue a preexisting sidewalk network
or
begin a new sidewalk network. Sidewalks can provide safe and convenient pedestrian access to a community-oriented facility and access to adjacent facilities and neighborhoods.

For a public transportation route, there shall be a 5ft. sidewalk with a buffer between the sidewalk and the road. There shall be enough space next to sidewalk for bus shelter's concrete pad installation.

Since DeKalb County is classified as a Zone 1 radon county, this office recommends the use of radon resistant construction.

Applicant/Owner: Greg Scott

Property Address: 6136 Shadow Rock Lane, Lithonia, GA 30058

Parcel ID: 16 093 03 008

To the Honorable Members of the Dekalb County Board of Commissioners and Planning Department,

I respectfully submit this Letter of Intent in support of our application to rezone the property located at 6136 Shadow Rock Lane (Site Area: 9,291 SF). This proposal, referred to as "Project Shirley," is a responsible, compassionate, and financially necessary plan to establish permanent, stable, and subsidized housing for a family relative, Aunt Shirl.

1. The Proposed Zoning Classification

The requested zoning classification is **RSM (Residential Small Lot Mix)**.

- This classification permits the proposed triplex structure and ensures its future as a stable residential asset.
- The use is consistent with the intent of RSM zoning, which encourages small-scale, diverse housing options and responsible infill development within Dekalb County.

2. The Reason for the Rezoning Request

- **Goal:** To provide permanent, stable, and subsidized housing for Aunt Shirl, whose current income (Social Security) is insufficient to cover the full cost of independent living and specialized care.
- **The Solution (Triplex):** Income from the two rental units is required to sustain the project's costs, pay the mortgage (a personal loan taken by me the owner), and fund her long-term care.
 - **Unit 1 (Aunt Shirl's Permanent Residence):** The central, 1-bedroom unit is dedicated to Aunt Shirl's permanent residence.
 - **Unit 2 & 3 (Rental Units):** The revenue from these two units creates the dedicated Financial Buffer necessary for professional in-home caregivers, medical co-pays, property taxes, and future maintenance.
- The RSM zoning is necessary to legally permit the proposed three-unit structure, which is the only viable path to ensure continuity of care.

3. Existing and Proposed Use of the Property

Feature	Existing Use	Proposed Use
Zoning	R-100 (Single-Family Residential)	RSM (Residential Small Lot Mix)
Structure	Vacant/Undeveloped Land	Single-Story Triplex
Occupancy	None	Three (3) residential units

The proposed use is to create a new, quality **small multi-family residential asset (a triplex)** in the community, which will continue to operate as a legal rental triplex permanently.

4. Detailed Characteristics of the Proposed Use

- **Proposed Structure:** A single-story triplex known as the "Alder Triplex 2" .
 - **Dimensions:** 44'-6" x 56'-0".
 - **Building Height:** The maximum building height will be **35 feet**, consistent with the RSM development controls.
- **Number of Units and Mix:** Three (3) total residential units.
 - **Unit 1 (Middle - Aunt Shirl's Residence):** 1 Bedroom, 1 Bathroom (756 SF).
 - **Unit 2 & 3 (Flank Rentals):** Two 2-Bedroom, 2-Bathroom units (868 SF each).
- **Floor Area Justification:** We acknowledge that general DeKalb County ordinances for two/three-family (TTF) or multi-family (MF) units often cite a minimum unit size of 1,000 square feet. However, the proposed units (756 SF and 868 SF) are designed to be efficient, compact, and affordable, directly aligning with the RSM district's explicit purpose of providing **small-lot mix** housing and utilizing sizes comparable to "cottage units," which can be approved as low as 350-800 square feet. We request approval for the specific unit sizes of the "Alder Triplex 2" plan as presented, based on their consistency with the underlying goals of the RSM classification for small-scale, infill development.
- **Manner and Hours of Operation:**
 - The property will operate as a standard residential rental property (24/7 use).
 - **No Employees/Commercial Activity:** No commercial activity or full-time employees will be located on the property, outside of the occasional professional in-home caregiver visits or standard maintenance/management personnel.

I believe that Project Shirley is a responsible and compassionate solution that provides a critical service for a family member while also contributing positively to Dekalb County's need for diverse, small-scale housing options. We respectfully request a positive recommendation

for the rezoning request.

Sincerely,

Standard/Factor (Section 27-7.3.4)	Response/Analysis
A. Is the zoning proposal in conformity with the policy and intent of the Comprehensive Plan?	YES. The proposal conforms to the Comprehensive Plan's goals for: 1. Housing Diversity: The RSM (Residential Small Lot Mix) district is specifically intended to promote a wider variety of housing types, including small multi-family (triplexes) and infill development. 2. Responsible Growth: The project replaces a vacant lot with a new, quality residential structure, increasing housing stock and property value with minimal impact on surrounding infrastructure.
B. Will the zoning proposal permit a use that is suitable in view of the use and development of adjacent and nearby properties?	YES. The proposed use is suitable. 1. Low Density: The triplex, with 3 units on a 9,291 SF lot, is a small-scale transition from the surrounding R-100 (Single-Family) zoning. The resulting density is far lower than typical multi-family development. 2. Residential Character: The Alder Triplex 2 design is a single-story structure with a residential appearance, ensuring it is visually compatible and suitable for the neighborhood. The use remains strictly residential.
C. Does the property to be affected by the zoning proposal have a reasonable economic use as currently zoned?	NO. As currently zoned R-100 (Single-Family), the property does not have a reasonable economic use in the context of the Applicant's financial needs. 1. Financial Necessity: Building a standard single-family home on a personal loan, while simultaneously funding permanent, long-term specialized care for Aunt ShirI, is not financially feasible without the rental income from the two additional units. 2. Highest and Best Use: The size and location of the lot make it suitable for a low-density mixed-use classification (RSM), which maximizes the economic utility of the land while remaining residentially scaled.
D. Will the land use map amendment proposal adversely affect the existing use or usability of adjacent or nearby properties?	NO. The proposal will not adversely affect existing properties. 1. Single-Story Design: The proposed single-story triplex ensures there is no excessive shadow, view blockage, or adverse height/massing impact on neighboring single-family homes. 2. Limited Impact: The use is solely residential, generating traffic and noise consistent with minimal residential density. The existing surrounding R-100 properties will continue their current use without impairment.
E. Are there other existing or changing conditions affecting the use and development of the property which give supporting grounds for either approval or disapproval of the zoning proposal?	YES. Supporting Ground for Approval: The unique and immediate need to establish a financially self-sustaining long-term care plan for a family relative (Aunt ShirI) is the primary supporting condition. The construction of the triplex and the resulting rental income is the direct mechanism required for the Applicant to carry the financial burden of care. This demonstrates a specific and compassionate public benefit for this family unit.
F. Will the zoning proposal adversely affect historic building, sites, districts, or archaeological resources?	NO. The property is currently vacant/undeveloped land. The construction of the proposed building does not affect any known historic buildings, sites, districts, or archaeological resources.
G. Will the zoning proposal result in a use which will or could cause excessive or burdensome use of existing streets, transportation facilities, utilities, or schools?	NO. The proposed three-unit triplex will have a minimal and non-burdensome impact. 1. Traffic: The addition of only two additional households (3 total) to the site will result in a negligible increase in traffic on Shadow Rock Lane. 2. Utilities: The proposed use will utilize existing public water and sewer infrastructure, as is standard for residential construction. 3. Schools: With a unit mix of one 1-bedroom and two 2-bedroom units, the potential impact on public schools is expected to be very low, likely lower than a conventional single-family home on the same R-100 lot.

Possible Variances: Variances from setbacks and/or transitional buffer(s) between

R-100 and RSM will likely be sought. Additionally, possibly minimum unit size.

Comments: Applicant is seeking to develop a triplex and therefore must rezone to RSM in a suburban land use.

The subject site may have development restraints - surrounded by R-100

with no RSM directly adjacent, transitional buffers (Section 5.4.5) require a 20- foot buffer

between R-100 and RSM, and parking (Section 6.1.3) requires one parking space per unit minimum.

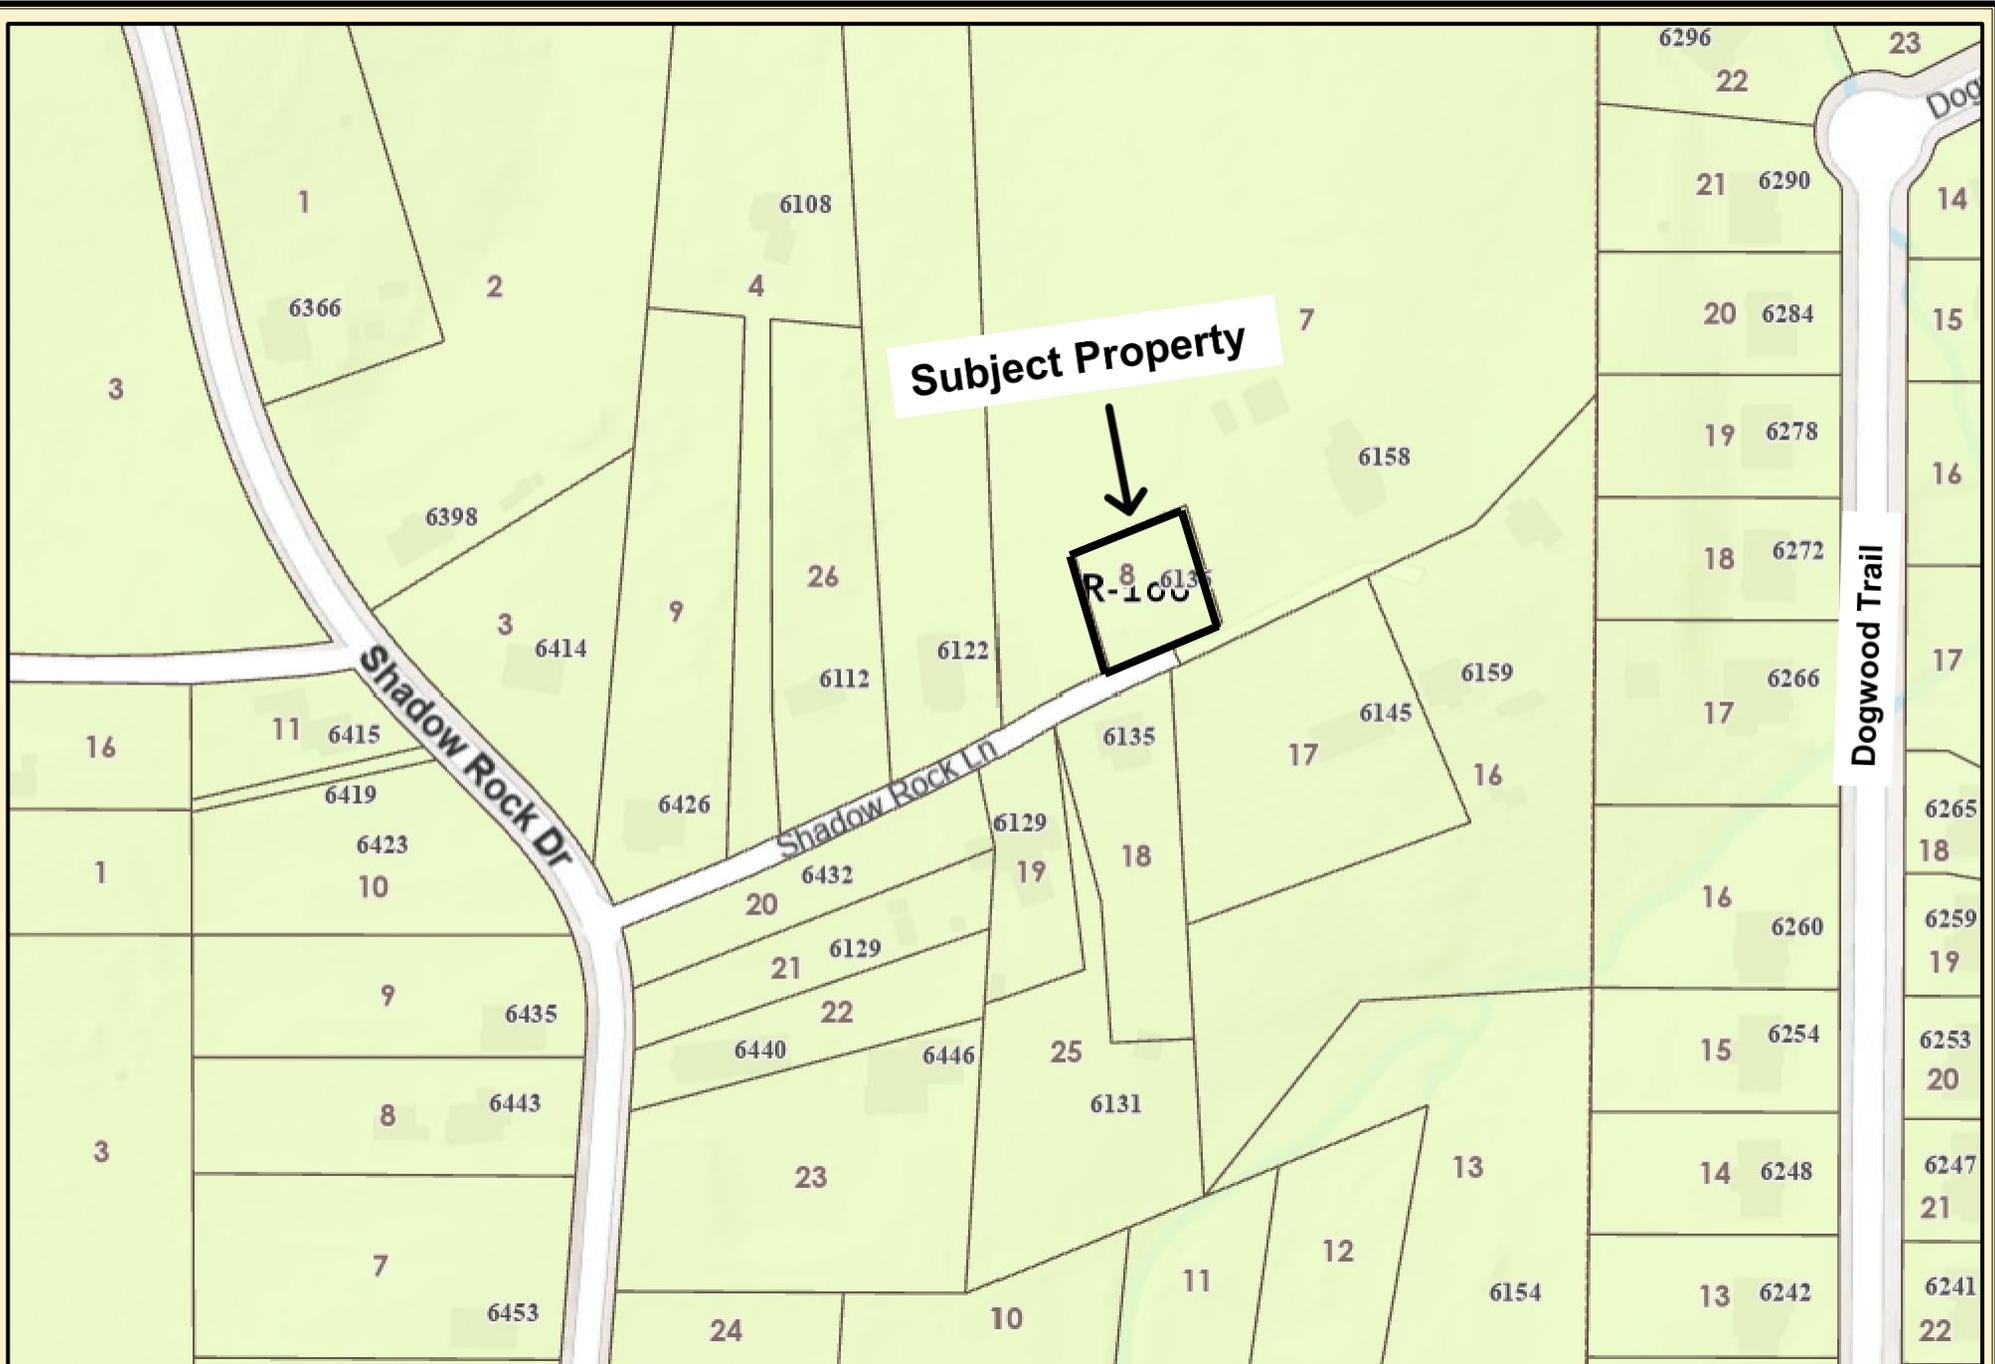

Additionally, other site requirements for RSM can be found within Section 2.11.1.

for medium- high density residential developments.

2026 calendar dates are up for adoption at the Nov. 20, 2025 BOC zoning meeting.
