C. COMMENTS FROM THE PUBLIC

The purpose of public comment is to allow the public to voice county-related requests, concerns or opinions during the Commission meeting. Speakers will only have the opportunity for one public comment per meeting. Each speaker must complete a speaker card and present it to the clerk before the beginning of the public comment portion of the meeting. Cards turned in to the clerk from the time the general meeting is convened (generally 9 A.M.) and by the beginning of public comment portion generally following presentations on the agenda. The clerk will accept cards on a first-come, first-served basis. Prior to the clerk's call for public comment, speakers who are residents of DeKalb County shall be allowed to speak before residents of other counties are allowed to speak.

Once the public comment portion of the meeting begins, speaker cards will no longer be accepted. Speakers will be allowed to speak for three minutes each and public comment shall not exceed 30 minutes in length. When the buzzer sounds to indicate that time has run out, the speaker will be expected to immediately cease speaking and to yield the podium. Those who submitted speaker cards but did not speak because of the time allotment will be allowed to speak first at the next regularly scheduled Commission meeting without regard to residence. Speakers should always talk directly into the microphone and begin by stating their name, full address and the name of any organization they represent. Abusive, profane or derogatory language, holding up signs, clapping, yelling, standing or laying in the aisles to show support for or opposition to a speaker will not be permitted, but a show of hands or quietly standing in place will be permitted to show support for or opposition to a speaker's position.

3. Commissioner Mereda Davis Johnson read the following comments:

Thank You, Mr. Presiding Officer, and Good morning everyone again.

I would like to begin my comments by congratulating my colleague and one of the Johnson's, Commissioner Larry Johnson on his election as the 2nd Vice President of the National Association of Counties. Your win was huge and very well deserved. We know that you will represent DeKalb very well and you are the perfect representative to lead the over 3,000 counties in America!

With that said, I had a wonderful opportunity to attend the National Association of Counties Annual Conference which was hosted in Clark County, Nevada. There were many sessions that I thought were very beneficial. I am looking forward to taking some of the initiatives that I learned about at the conference and working with this board and our CEO to continue to "Move DeKalb Forward".

This past weekend, I had the opportunity to participate in the Congressional Black Caucus PAC retreat. We discussed the 2020 Elections and the importance of ensuring that everyone's vote gets counted in that election, which brings me to my next announcement. I want to shout out my colleague once again, Commissioner Larry Johnson as he has been chosen as the chair of the Census Complete Count Committee for DeKalb County. This initiative is very important and we must do all that we can to ensure that every person is counted so that we will have the necessary resources for the County. I am looking forward to working with Commissioner Larry Johnson and the entire committee.

This past weekend, our office partnered with the Murfield Subdivision on a collaborative community clean- up. I would like to thank the ladies of the subdivision who came out to help. A special thanks to the HOA President, Diane Parks for working with us to keep DeKalb Beautiful.

Last week, my Director of Constituent Services, Demetrius Pinkett had an opportunity to present Refining Fire with a proclamation. This organization allows youth to combat mental illness and other mental conditions through dance. I understand that this event was very successful and I was proud to hear how this is helping so many youth in DeKalb.

Last Monday, my office joined the Parks and Recreation Department for the Ribbon Cutting of the all new playground set at Lithonia Park. I would like to give a special thanks to the Friends of Lithonia Park group, Director Chuck Ellis, Mayor Deborah Jackson and Park Pride for all of their work on this. I encourage all residents in the 5th to stop by Lithonia Park and check out the new playground set.

This Thursday, I will have an opportunity to meet with the District 5 Boards and Commission Appointees to receive updates on what is happening on the various bodies which we appoint citizens to. 4. Commissioner Steve Bradshaw read the following comments:

Thank you Mr. Presiding Officer. Good Morning Everyone.

Today, I would like to begin by congratulating my friend and colleague Commissioner Larry Johnson for being elected as Second Vice President of the National Association of Counties (NACO). This is a great

achievement and Commissioner Johnson's election brings great credit upon DeKalb County and the State of Georgia. I know how much effort went into making this happen and I was honored to bear witness during the voting at the recent NACO Conference as Commissioner Johnson went over the top. I know that he will do an outstanding job in this critical leadership role. Now, I guess I will have to start addressing him as "Mr. Vice President". But, in my heart he will always be "Larry the Cable Guy". Congratulations once again! We are very proud of you!

Our next Quarterly in the Fourth Community Breakfast Meeting will be held this Saturday July 27, 2019 at Stone Mountain Middle School starting at 9 a.m. More details will be available across our communications platforms. Everyone is invited to attend.

Our first community public meeting for the Avondale Dunaire Park Master Plan Study was held on July 17th. I would like to thank our Parks and Recreation Department for putting the meeting together and our consultants from Wood for guiding us through the process. I would also like to thank Commissioner Kathie Gannon for being there to lend her support. There were some really great ideas that emerged from that meeting. When details about our next public meeting are finalized, we will let you know as we work to make this a destination park in DeKalb County.

It was a great honor for me to speak to the Mandela Washington Fellows at Georgia State University on July 18th. The Mandela Washington Fellowship for Young African Leaders is the flagship program of the Young African Leadership Initiative that empowers young people through academic coursework, leadership training and networking. The fellows are between the ages of 25 & 35, and represent a diverse group of leaders from countries across sub Saharan Africa. During my visit, we engaged in a highly spirited dialogue across a range of issues and it was really enjoyable for me to spend some time with these very bright and capable young people. I would like to thank GSU Professor Dr. Sharon Hill for managing this program and for the invitation to participate.

At this point, I will ask the Chair and my colleagues for their indulgence as I exercise a point of personal privilege by acknowledging the passing of Mr. Jim McMahan and Ms. Carrie Briscoe.

I announced my candidacy for this office in June of 2015. At my kickoff event, Jim McMahan was one of the event Co – Chairs. My brother Ken, who worked for the DeKalb School System for many years actually knew Jim better than I did. But, when I asked Jim to lend his support to my efforts he agreed without hesitation. I will always be grateful for that. I knew Jim to be a dedicated public servant. His years on the DeKalb Board of Education underscores this point. I also knew him to be a good man, and fun to play a round of golf with. The last time I saw Jim was just a few weeks ago, coincidentally at an event for me. He was gregarious and full of energy, still demonstrating his support. He will most certainly be missed.

I also met Ms. Carrie Briscoe when I was campaigning for this office. What I encountered was an absolute dynamo who really cared about her community. And she was never shy about pointing out the problem areas. I recall talking with her on a number of occasions at her condo in Inverness Woods and meeting with her community. I also recall how she rallied that community to support me. I will always be grateful for that. Recently, due to her illness she was not quite as active. But, every now and then she would still call my office to

tell us about something that we needed to be focused on. Obviously, I was very saddened to learn of her passing. A few days later I received a call from a mutual friend of ours. He had seen Carrie within the past few weeks and she knew that the end was near. He further shared that Carrie had asked him to deliver a message to just a handful of people, and that I was one of those people. But, the caveat was that the message could not be delivered until after she had passed and after the service had been held. The message was very simple. Miss Carrie wanted me to know that she loved me and that she was proud of me. Needless-to-say, I was deeply moved. Going forward, I will try to continue to make her proud. May Mr. Jim McMahan and Ms. Carrie Briscoe rest in peace.

If you have any questions or concerns please feel free to call my office at 404-371-4749. And as always I want to thank the citizens of District 4 for affording me this opportunity to serve. Thank you Mr. Presiding Officer.
