NOTES - DETAIL JUSTIFICATION

Both a 5 Year/7,500 Hr. Warranty for Parts and Service and a Preventative Maintenance Plan were required in the Minimum Specifications. Both Yancey Brothers and Cowin Equipment included the full warranties in their total bid of the tractor. Humdinger and Sun Machinery did not include the costs of the warranties in their total bid as indicated. After adding in the additional costs of the warranties for both Humdinger Equipment and Sun Machinery, their total cost excludes them from being the lowest, responsive and responsible bidder.
