The Public Comments portion of this meeting is reserved exclusively for comments from the public, and not for immediate reply. Statements made during the Public Comments portion do not necessarily reflect the Opinions of the Board or the Administration of DeKalb County Government.

The purpose of public comment is to allow the public to voice county-related requests, concerns or opinions during the Commission meeting. Each speaker must complete a speaker card and present it to the clerk before the beginning of the public comment portion of the meeting. When the buzzer sounds to indicate that time has run out, the speaker will be expected to immediately cease speaking and to yield the podium. Those who submitted speaker cards but did not speak because of the time allotment will be allowed to speak first at the next regularly scheduled Commission meeting without regard to residence. Speakers should always talk directly into the microphone and begin by stating their name, full address and the name of any organization they represent. J. COMMENTS FROM THE BOARD**1. Commissioner Gregory Adams read the following comments:**

Kudos to DeKalb County employees for an outstanding job in the month of October highlighting issues related to Domestic Violence and providing support to those impacted by it. A special shout out goes to our District Attorney Sherry Boston and Solicitor-General Donna Coleman-Stribling for great and informative events to help make DeKalb safer for all.

Tuesday, October 24, the DeKalb County Commission voted 6-1 to approve Commissioner Mereda Davis Johnson's resolution calling for the County legal team to render an opinion on the legality of removing the Confederate monument from Decatur square, and creating a plan for the monument's relocation.

NACo's 2017 Large Urban County Caucus (LUCC) Innovation Symposium took place in Salt Lake County, Utah on October 25th -27th. I was happy to attend, along with Commissioner Larry Johnson as urban county elected leaders came together with other leaders and national experts to discuss common challenges and the innovative solutions for our counties.

Phase I of Operation Clean Sweep culminated on Saturday, Nov. 4th when DeKalb departments hit the road one more time to remove litter, grass and dirt embedded along curbs. To date, Operation Clean Sweep crews have removed 391 tons of debris, 1,685 bags of loose litter and 51 piles of illegally-dumped material.

DeKalb County was happy to host the International Night Market Friday, November 3rd thru Sunday, November 5th. With a projected attendance of over 75,000 people from Atlanta and neighboring states, this family-friendly 3-day event celebrated diversity, culture, cuisine, and community.

Last but not least, I would like to honor all military personnel who have served in the U.S. armed forces. We thank you for your service to our country.

As always, thanks to my district for allowing me the honor to serve.

If you would like to contact me regarding questions, scheduling an event or meeting, please feel free to contact our office at 404-371-2899 Or gregoryadams@dekalbcountyga.gov.

2. Commissioner Mereda Davis Johnson read the following comments:

Thank You, Madam Presiding Officer, and Good morning everyone again.

I would like to begin my comments by reminding everyone in DeKalb to go out and exercise your right to vote. This is a very important civic duty that we must take serious. There are important issues that are being decided in this election. In DeKalb we are voting on the SPLOST, EHOST and Homestead Exemption today. For more information on the SPLOST, please visit www.dekalbcountyga.gov and click the SPLOST link. It is the first link that pops up.

My office had a busy week and weekend. We participated in the Fulton DeKalb Hospital Authority School Health Task Force last Wednesday. This task force is formed to help address some of the persisting health challenges that our students are facing. I am glad that District 5 is being represented on this task force as we collaboratively aim to address challenges that our children face.

Congratulations to my friends at the Greater Lithonia Chamber of Commerce on their 24th year! They had a wonderful gala this past weekend which my office had the pleasure of attending. To President Kendra Price and the entire chamber, congratulations. Thank you for continuing to serve our community and support our youth will scholarships each year.

Also, the NAACP celebrated their 61st annual Freedom Fund Awards Gala. Congratulations to the President, Ms. Teresa Hardy and the entire chapter. Thank you for the work that you do. It is so important during the times that we are living in. May we continue to stand united in the face of injustices.

Finally, to President Delois Grizzle and the National Coalition of 100 Black Women, congratulations on your Pink and Black Ball which honored survivors and those who continue in the fight against breast cancer. The work that your organization does is so imperative as you speak up for many who cannot speak up for themselves.

For more information on any of the announcements or District 5 upcoming events, please feel free to visit my website at www.commissionermeredajohnson.com or you may call my office at 404-371-2159. Thank you for allowing me to serve as your District 5 Commissioner.

3. Commissioner Steve Bradshaw read the following comments:

Thank you Madam Presiding Officer... Good morning everyone.

On October 26th I attended the Building Bridges, Making Connections, Coordinating a Community Response to Domestic Violence symposium. I would like to commend our District Attorney, Sherry Boston, for hosting the event and for helping to raise awareness of this very important issue.

On October 27th I attended the “Crucial Catch Day – Intercept Cancer” event at Oakhurst Medical Center as they provided cancer medical screenings that day. Oakhurst Medical Center is a jewel in District 4. And I would like to commend CEO Jeff Taylor and his entire team for the wonderful service that they are providing to the community.

On November 3rd I was honored to attend the 110th Police Academy graduation ceremony. It was a small class of 4 new police officers but it is an exceptional class who refer to themselves as the “wolf pack”. I like that. And I would like to commend Chief Conroy and his entire team for putting together an excellent ceremony and for the great job that they do in protecting us all.

On November 4th I was honored to attend the open house at the Well Refugee Center in Clarkston. As always, it was a privilege to share a stage at the event with our esteemed US Congressman Hank Johnson. As I said on Saturday, it takes a tremendous amount of courage to leave the country that is your home and try to start a new life in another country. The transition process is obviously very challenging, and organizations like the Well Refugee Center help to make that transition a little easier. I would like to commend Executive Director, Dr. Kathleen Connors and her entire team for the tremendous service that they provide to the community.

You are always welcome to reach our team in the office:
Chief of Staff, Alesia Brooks 404-371-7031 Constituent
