Phyllis,

We are currently working on a replacement contract. We are expecting contract award in June or July 2018. However, we need to keep the existing contract available until the new contract is executed.

Therefore, we plan to extend the contract for six months from its current expiration date.

Good morning,
DeKalb County is piggybacking off of this contract and we would like to know if the State intends to extend the contract past August 31, 2018? Any assistance that you can give me will be greatly appreciated.
