C. COMMENTS FROM THE PUBLIC

The Public Comments portion of this meeting is reserved exclusively for comments from the public, and not for immediate reply. Statements made during the Public Comments portion do not necessarily reflect the Opinions of the Board or the Administration of DeKalb County Government.

The purpose of public comment is to allow the public to voice county-related requests, concerns or opinions during the Commission meeting. Speakers will only have the opportunity for one public comment per meeting. Each speaker must complete a speaker card and present it to the clerk before the beginning of the public comment portion of the meeting. The clerk will accept cards on a first-come, first-served basis. Speakers who are residents of DeKalb County shall be allowed to speak before residents of other counties are allowed to speak. Once the public comment portion of the meeting begins, speaker cards will no longer be accepted. Speakers will be allowed to speak for three minutes each and public comment shall not exceed 30 minutes in length. When the buzzer sounds to indicate that time has run out, the speaker will be expected to immediately cease speaking and to yield the podium. Those who submitted speaker cards but did not speak because of the time allotment will be allowed to speak first at the next regularly scheduled Commission meeting without regard to residence. Speakers should always talk directly into the microphone and begin by stating their name, full address and the name of any organization they represent. Abusive, profane or derogatory language, holding up signs, clapping and yelling will not be permitted. A show of hands or quietly standing will be permitted to show support for or opposition to a speaker's position

In the event there is more than one speaker per side, speakers must divide their time in order to complete their full presentation within the ten-minute time allotment, or the five-minute time allotment. When the buzzer sounds to indicate that time has run out, the speaker will be expected to immediately cease speaking and to leave the podium area. Prior to speaking, please complete a speaker card and present it when approaching the podium. If you have any documents for the Commissioners, please provide 10 copies when approaching the podium. MOTION was made by Jeff Rader, seconded by Kathie Gannon, that this agenda item be reversed and remanded. Motion language read by Commissioner Jeff Radar: In consideration of these 5 appeals pending before the Board today, I move to reverse and remand the Historic Preservation Commission's April 19, 2017 decision to issue a certificate of appropriateness authorizing (1) the property division and (2) proposed development of the smaller resulting parcel with two multi-family buildings and associated improvements, on grounds that the Commission abused its discretion in coming to its decision. I find that the decision to issue the certificate of appropriateness violated the Druid Hills Historic District's aspirations of protecting the natural landscape as contemplated in Guidelines 4.1.2 and 4.1.3, and that the preservation commission did not properly apply Guideline 8.1, "Open Space and Parkland Preservation and Conservation," and Guideline 8.3, "Protection of the Historic Watershed Design and Design Concept." The Commission is directed to reconsider the application in consideration of these Guidelines, and to additionally require the applicant to perform an archeological study as contemplated by Guideline 11.0.

4. Commissioner Steve Bradshaw read the following comments:

Thank you Madam Presiding Officer...

Good afternoon everyone.

First and foremost I want to thank all of the department heads and employees of DeKalb County for their hard work and on-going dedication to this county.

It was an honor to attend the Law Enforcement Officer’s Memorial Ceremony on May 10th. I want to commend Police Chief Conroy and his team for putting together a solemn and professional ceremony. Lest we forget those who made the ultimate sacrifice to ensure our continued safety.

I would like to thank Principal William Carter and PTA President Chanda Robinson for inviting me to participate in the Career Day activities at Allgood Elementary School on May 11th. It is always a pleasure to talk with young people about the importance of public service. Although, I have to admit to being a little disappointed that none of the kids asked me if I was running for President.

I would also like to thank Mayor Frank Auman and the rest of the Tucker City leadership for inviting me to attend the FIRST Tucker State of the City address on May 12th. Tucker seems to be making great strides and I am

honored to represent a portion of those citizens as well. I look forward to a continued strong partnership as we move forward.

I owe a big thanks to the Sons of Allen at Antioch AME Church for inviting me to participate in their annual charity golf tournament this past Saturday May 20th. The funds raised help to support scholarships for students in need and it was an honor to be a part of such a worthy cause. I want to commend my good friend and war buddy Howard O'Dell for organizing such a great event. Also, I am happy to report that I actually played golf pretty decently, which these days is surprising.

I would also like to thank the owners of The Atlanta Dream, our professional women's basketball team, and our partners at Grady for recognizing my wife Diane and I as a military family at the game this past Sunday May 21st. It was very cool to walk out to the center of the basketball court and accept the appreciation of the crowd that was in attendance that day.

I would like to remind everyone that the County Operations Committee will be meeting this afternoon at 2pm.

Of course you are always welcome to reach our team in the office:
Chief of Staff, Alesia Brooks 404-371-7031, adbrooms@dekalbcountyga.gov
Constituent Coordinator, Robin Detar 404-371-4749
rldetar@dekalbcountyga.gov
Me, srbradshaw@dekalbcountyga.gov

As always I want to thank the citizens of District 4 for trusting me with this responsibility. It is indeed an honor to serve.

Finally, I would like to wish everyone a safe and happy Memorial Day holiday weekend. Thank you Madam Presiding Officer.

5. Commissioner Mereda Davis Johnson read the following comments:

Thank You, Madam Presiding Officer, and Good morning everyone again.

I would like to begin this morning by expressing our deepest sympathy and offering our prayers to the victims who lost their lives and who were injured in the Manchester, England bombing yesterday. Let us take a moment of silence at this time.

This weekend, Hank and I had the opportunity to attend the Social Justice weekend at our church, The Greater Travelers Rest Baptist Church, known as House of Hope. The discussion was much needed and very fruitful. I hope that we can continue to expand this discussion in hopes of forging ahead for effective changes and continued advancement in the area of social justice.

I would like to thank our CEO, Michael Thurmond for hosting a SPLOST Visioning Session this past Friday. I am hopeful that we, as a board will continue to work together to move forward with the process for the betterment and advancement of DeKalb County. I am hopeful that the SPLOST will serve as a catalyst for other development in DeKalb County.

I would like to give a special thank you to our Medical Examiner, Mr. Pat Bailey who was so kind during our tour of the Medical Examiner's office. My staff and I were very impressed with the work that the team does. Again, thanks for your hospitality.

Thank you to Bettye Davis and her staff at Lou Walker for hosting me during the festivities for Older Americans Month. It was such a joy to spend time with the seniors at Lou Walker. Each time I visit Lou Walker, I see the meaning to "seniors don't retire, they re-fire".

Last week, I had the opportunity to meet with concerned residents of the South Hairston area. We had over 30 residents come out to express their concerns and get engaged in what's happening in their community. The meeting was very fruitful and I look forward to supporting the community as we work towards a solution with their concerns. Thank you to the organizer, Ms. Glenda Halliburton for putting the meeting together and to Pastor Michael McCoy for allowing us to use his church.

Attention parents!!!! Please note that registration for the Junior Ranger Camp at Panola Mountain State Park ends this Friday, May 26. The camp is for kids ages 6-10. The five-day program, which begins June 5 and takes place daily 9 a.m. to 1 p.m., will introduce kids to the wonders of the outdoors. Activities include hiking, frog hunting, bug catching, bird watching, craft making, geocaching, and orienteering. For more information, visit www.gastateparks.org/PanolaMountain or call 770-389-7801.

Congratulations to all of our seniors who are graduating from high school. We are very excited about your future and we expect great things for you all.

I would like to wish everyone a safe and Happy Memorial Day weekend as we honor those who have lost their lives in serving this Country!
