Talisa,

This is a request for a 3 month contract extension for Corvel. This vendor provides Workers Compensation pharmacy management and utilization review of medical services to the State fee schedule. The estimated cost for the 3 month extension is \$85,000.00.

This service is currently under an RFP which is expected to conclude in November. We are requesting the extension as a precaution, just in case we are not able to get BOC approval by December 31.

Assistant Director of Finance/Risk Management & Employee Services
