STAFF ANALYSIS

Case No.:	SLUP-24-1247001	Agenda #: 2024-0631	
Address:	5439 Memorial Drive, Stone Mountain, GA, 30083	Commission District: 04	Super District: 06
Parcel ID(s):	18-069-02-028		
Request:	A Special Land Use Permit (SLUP) to allow for a late-night establishment in the C-1 (Local Commercial) Zoning District.		
Property Owner(s):	Azure Star Properties, Llc		
Applicant/Agent:	Wilhelmina Bestman		
Acreage:	1.55 acres		
Existing Land Use:	Restaurant (as a tenant within an existing Shopping Center).		
Surrounding Properties:	North: RSM (across Memorial Drive) East: C-1 South: C-1 West: C-1		
Comprehensive Plan:	Commercial Redevelopment Corridor (CRC)	Consistent X	Inconsistent

Staff Recommendation: APPROVAL WITH CONDITIONS

The applicant, Wilhelmina Bestman, is seeking a Special Land Use Permit (SLUP) to allow for her existing restaurant (Mina's Restaurant) to operate as a *late-night establishment* in the C-1 (Local Commercial) Zoning District, which would enable the serving of alcohol to patrons on the premises beyond 12:30 am. The restaurant use occupies a tenant space that is approximately 2,000 square feet and is part of a small shopping center containing four (4) tenant spaces in total. The adjacent uses within the shopping center are a coin laundry and two (2) personal service establishments (beauty salons/shops). No expansion of the existing tenant space or shopping center is proposed by the applicant.

The existing restaurant, shopping center, and subject property are located within a Commercial Redevelopment Corridor (CRC) Character Area. The proposed late-night establishment is consistent with the Character Area's intent to "improve the function and aesthetic appeal of commercial corridors in the County and promote the redevelopment of commercial

corridors in decline”, per the *DeKalb County 2050 Unified Plan* (pg. 37).

An on-site inspection of the subject property revealed an ample amount of off-street parking to support the proposed late-night establishment (the coin laundry on-site is open 24 hours but has not been shown to generate significant traffic that would affect or be affected by the proposed use). The subject property is surrounded on three sides by properties that are zoned for commercial uses (C-1), and while the property is in proximity to several residential developments (single-family attached and multifamily uses), these developments are all located across the northern side of a four-lane major arterial road (Memorial Drive).

Business license and Certificate of Occupancy (CO) records with the County indicate that the current tenant has been in operation since at least 2010. The establishment has a valid and active CO, business license, and liquor license, and there do not appear to be any records of submitted citations or complaints. The establishment appears to be a “good neighbor” to surrounding businesses and the community and would not appear to adversely affect the health, safety, and welfare of the general public. Therefore, upon review of Section 7.4.6. of the *Zoning Ordinance*, the Planning and Sustainability Department recommends *Approval with the following Conditions*:

1. The proposed late-night establishment shall not serve new patrons after 2:00 am.
2. The late-night establishment shall be limited to the approximately 2,000 square foot tenant space currently occupied by Mina’s Restaurant. No expansions to the existing building footprint or vertical additions are permitted. No outside seating or service shall be permitted.
3. The establishment shall maintain compliance with the *DeKalb County Noise Ordinance*.
4. Capacity shall be subject to the approval of the County Fire Marshall’s office.
5. No dance floor (nightclub) use is allowed.
6. This Special Land Use Permit (SLUP) shall be non-transferable to any future operator, tenant, and/or property owner.

Re: Rezone Application Review

General Comments:

DeKalb County Health Regulations prohibit use of on-site sewage disposal systems for

- multiple dwellings
- food service establishments
- hotels and motels
- commercial laundries
- funeral homes
- schools
- nursing care facilities
- personal care homes with more than six (6) clients
- child or adult day care facilities with more than six (6) clients
- residential facilities containing food service establishments

If proposal will use on-site sewage disposal, please contact the Land Use Section (404) 508-7900.

Any proposal, which will alter wastewater flow to an on-site sewage disposal system, must be reviewed by this office prior to construction.

This office must approve any proposed food service operation or swimming pool prior to starting construction.

Public health recommends the inclusion of sidewalks to continue a preexisting sidewalk network or begin a new sidewalk network. Sidewalks can provide safe and convenient pedestrian access to a community-oriented facility and access to adjacent facilities and neighborhoods.

For a public transportation route, there shall be a 5ft. sidewalk with a buffer between the sidewalk and the road. There shall be enough space next to sidewalk for bus shelter's concrete pad installation.

Since DeKalb County is classified as a Zone 1 radon county, this office recommends the use of radon resistant construction.

Minas Restaurant has been operating at 5439 Memorial Drive for over 20 years. We specialize in African and Caribbean Cuisine. I am requesting this SLUP in order to restore my Sales Revenue and to offset the rent increase in my current Lease. My customers have expressed a desire to come and stay later than my present closing time of 12:30. I will not be increasing the existing dimensions of my Restaurant nor making any other changes to my present operations. The only change will be the hours of operation. Minas Restaurant has a sterling reputation in the surrounding areas. We have supported many community activities over the years and we will continue to play an active role.

Statement of Impact-

The Approval of a SLUP for Mina's Restaurant that would allow 2 additional hours of operation would have minor Impact on the surrounding area and businesses. We are located in a small strip of businesses consisting of only one building. There are (4) businesses located in our building: Our SLUP will not negatively impact our neighbors at all. All of our neighboring businesses close before 9 pm except the Laundromat next door. With other businesses closed, we would have additional parking. There are several Late Night ✓ Establishments within a close proximity of our Restaurant, therefore making our extended hours consistent. We will employ off duty police App officers for security and peace of mind. Again we want to stress that the Approval of our Application for a SLUP will have minimal Impact on the surrounding area if at all.
