

Jerry Pate Turf & Irrigation

Jerry Pate Turf & Irrigation is pleased to provide you with the attached proposal for your consideration. With the impact of worldwide supply chain issues, we have experienced volatility in pricing from our manufacturers. With the continuing and unpredictable adjustments in cost, we are currently quoting all proposals to reflect manufacturer's suggested retail pricing (MSRP).

Moving forward, we will adjust our pricing once the cost of the product has been determined by the manufacturer and adjust your price accordingly as our objective is to provide you the best pricing. We will continue to communicate with you the availability and delivery times of products ordered.
