SUBJECT: Amendment No. 3 to County Contracts 14-902919 (AECOM), 14-902917 (Arcadis), 14-902918 (Atkins), 14-902868 (Kimley-Horn), 14-902857 (Moreland Altobelli), 14-902855 (STV), and 1086745 (Vanasse Hangen Brustlin) for Engineering and Design Services for Public Works Transportation and Infrastructure Improvements

We are requesting that the subject contracts be amended as follows:

Original Contract Term and Dollar Amount: End December 31, 2019; \$3,500,000

Previous Extension of the Term: None

Previous Changes to the Dollar Amount: Increase by \$4,200,000

Current Cumulative Contract Term and Dollar Amount: End December 31, 2019;
\$7,700,000

Proposed Cumulative Contract Term and Dollar Amount: End December 31, 2019;
\$11,200,000

Detailed Description of Requested Changes:

The cumulative contract cap for the seven firms under contract is proposed to be increased by \$3,500,000 to \$11,200,000. No change is proposed to the contract term.

Justification for the Proposed Changes and an Explanation of why the County should not consider a Competitive Bid:

These contracts are anticipated to be fully assigned long before their terms end. The increased contract cap will allow for additional assignments to be made during the current contract term.
