Subject: Termination of Lease - B-25

Hunter,

This is to confirm our conversation of last Friday that I would like to terminate my lease on Hanger B-25 at PDK, 30 days from today (December 20, 2023) because we have sold our plane and no longer require a hanger.

If possible, we would prefer to vacate the hanger on November 30, if that is an option.

Please provide me any additional information I need to provide or anything else I need to do.

Cordially,

Will Mack
