### Project Description

1. Remove Kudzu from both sides of the Stone Mountain Trail, Scottdale section, within designated area between Cedar and Kelly Streets, adjacent to Beech Hollow Wildflower Farm nursery and studio; Kudzu removed with hand tools and cut-and-treat method if necessary, but no chemical sprays will be used. Work sessions accomplished by EcoAddendum professional crew, and with EcoAddendum leading volunteer groups. For estimated number of volunteer sessions, EcoAddendum assumes at least 8-10 volunteers will be present for each session. EcoAddendum agrees to advertise the need for volunteers through its networks and through Hands On Atlanta, but does not assume the responsibility of ensuring 8-10 volunteers attend each volunteer session.
2. Naturalist walks led by Kathryn Kolb in 4 parks located in Dekalb Commission District 6, Aug-Nov.
