Company	Contact #	Contact Person	Non-Response Justification	Bid in Future
Jet Vac Equipment	803-669-0790 graham@jet-vac.com	Graham Couch	Could not remember why he did not submit, but intend to continue to submit in the future	Yes

Summary: Looking through all four (4) sign-in sheets (Jan. 31; March 6 and March 13); there was a very low interest in this solicitation this time only the two (2) listed and CBI attends most LSBE Mandatory meeting, but very seldom submit a bid. The previous market research completed after a third failed solicitation yielded that the previous contracted vendor was not interested due to the LSBE requirement and another vendor who was interested in the opportunity decided to act as a supplier to another vendor planning to bid as a prime. Market research efforts did not lead to increased interest.
