### **Summary:**

RFP was advertised on September 22, 2025. Firms that were contacted have all expressed these aviation services are extremely critical and of a special industry, it is limited on available and qualified proposers who can successfully perform these types of services. Above firms expressed not providing the scope of work required. Because the five (5) responses were not met at the Request for Proposal opening; the opening was extended to try to acquire more proposers. After extension two (2) RFPs were submitted, extending again would have yielded no further participation.
