Title: JcatsDeKalb Maintenance, Hosting, and Software and Support License Agreement

Effective Date: April 1, 2019

Expiration Date: December 31, 2023

Contract APPROVED Amount: \$352,500.00

Contractor(s)	Contract No.	Amount Spent
Canyon Solutions Inc.	1150081	\$282,000.00

Total Amount Spent to Date: \$282,000.00

User Department Recommendation:

DoIT is requesting \$80,000.00 be added to the current approved contract amount with Canyon Solutions to upgrade JcatsDeKalb to .NET technology. DeKalb County is currently using JcatsDeKalb which utilizes Microsoft Internet Explorer (IE). Microsoft has announced that they will no longer support IE and are encouraging all its users to move to Edge. The move to Edge will require a re-write of all the screens in JcatsDeKalb. Currently, there are almost 400 different screens that we will need to re-write into .NET
